**Montgomery County – Alcoholic Beverages –
Class BD–BWL Licenses – Multiple Licenses
MC 18-25**

House Bill 1174 allows a holder of a Class BD-BWL license to obtain a second BD-BWL license. A Class BD-BWL license allows the licensee to sell beer and wine for on-or off premises consumption and liquor for on-premises consumption. Under the bill, if a second license is issued, the sale of beer and wine authorized by that license for off-premises consumption is restricted to private-label products manufactured exclusively for the license holder. The privileges to sell beer, wine, and liquor for on-premises consumption will remain the same under the second license.

The County supports this legislation.
