Re: Subject: **Request for FAVORABLE Report-SB254** Department of Veterans and Military Families – Board and Commission – Membership and Oversight

Dear Chair Feldman, Vice Chair Kagan and Members of the Senate Education Energy and the Environment Committee:

The Maryland Military Coalition (MMC) recommends a FAVORABLE report by the Committee on HB0254 – Department of Veterans and Military Families - Board and Commission – Membership and Oversight.

The MMC strongly supports the provision granting the Department of Veterans and Military Families (DVMF) oversight of the War Memorial Building. In particular, we support the provision directing the DVMF to make the War Memorial Building available to patriotic organizations without cost

The War Memorial Building is well-known, easily accessible and prominent landmark which can serve as a focus for celebrations honoring veterans and our country. Providing the War Memorial Building to organizations at no cost maximizes the War Memorial Building's availability and ensures that organizations, regardless of size or budget can celebrate veterans and the United States. As fewer Americans serve in the uniformed services, maximizing the number of events that pay tribute to veterans is a critical part of connecting uniformed services and civilian society.

Subject: **Request for FAVORABLE Report** - HB0254 - Department of Veterans and Military Families – Board and Commission – Membership and Oversight

The Maryland Military Coalition is a registered non-profit, non-partisan advocacy organization comprised of 22 prominent Maryland-based veteran and military groups, representing over 150,000 service-connected individuals, including those currently serving, veterans, retirees and their families, caregivers, and survivors.

We want to thank Secretary Woods and the Department of Veterans and Military Families for requesting this bill and their unwavering commitment to our veterans and the uniformed services community in Maryland.

Respectfully,
