

SB0308 – Favorable

Honorable Senators

I support

- Requiring the election director of a local board of elections to designate chief election judges from certain political parties to each polling place except under certain circumstances; and
- requiring an election director who is unable to designate chief judges for a polling place at least 45 days before the start of early voting to make a certain designation in a certain manner.

As much as possible, efforts should be made to ensure that there are chief judges from each of the two major parties at each polling site.

Please enter a favorable report for SB0308.
