

The Honorable Brian Feldman, Chair
Senate Education, Energy, and the Environment
2 West Miller Senate Office Building
Annapolis, MD 21401

Dear Senator Feldman,

When I first entered high school, I wasn't sure what career path I wanted to take. Thanks to our career coach, I attended a career expo that introduced me to various industries. I also visited Maryland Public Television and different universities to explore my options. These experiences have been life-changing for me, and I believe every student should have the same opportunities. Please vote against SB 852 to protect career programs for students.

Sincerely,
Somaya Windley
