

The Honorable Brian Feldman, Chair
Senate Education, Energy, and the Environment
2 West Miller Senate Office Building
Annapolis, MD 21401

Dear Senator Feldman,

As a high school student exploring my future, I have greatly benefited from career programs at Old Mill High School. Our career coach has provided us with career expos, guest speakers, and field trips that have allowed me to connect with professionals and explore career paths I never knew existed. SB 852 threatens to reduce these invaluable experiences for students. I ask that you vote against this bill to ensure future students continue to have access to these life-changing opportunities.

Sincerely,

Ruben Villarreal
