

SB0114 – Favorable

Honorable Senators

I support authorizing units in the Maryland Department of Labor to:

- establish a certain process to include a notation of veteran status on an occupational license and
- assist in determining eligibility for State and federal benefits.

I believe we should honor veterans by allowing those who choose to do so, request a notation of veteran status be placed on their occupational licenses.

It is a small price to pay to honor their service.

Please enter a favorable report for SB0114.
