The 36,563 Officers, Members and Residents of the Matthew Henson Community Development Corporation strongly support the much-needed Public School Resource Officers - Firearms Required to be armed in Baltimore City Public Schools similar to all other MD Public School jurisdictions. Aren't our children, teachers, faculty and parents just as worthy as all others? Requiring a Baltimore City school police officer and a school resource officer to carry a firearm while present on the premises officer and carry a firearm while present on the premises of the school to which the officer is assigned.

Baltimore City School Police Gun's Recovery is an astonishing: 2023-24 *11 (so far); 2022-23 *15; 2021-22 *15; 2020-21?; 2019-20 Pandemic; 2018-19 *10; 2017-18 *5.

Baltimore City Shooting outside school area: Mergenthaler March 8, 2023, Death; Achievement Academy Nov. 11, 2019; Patterson Sept. 7, 2023, DEATH; Carver Sept. 7, 2022; Edmondson March 11, 2023, DEATH; Forest Park Jan. 25, 2023, DEATH; Dunbar Sept. 1, 2023, 12-year-old shot; Carver Dec. 5, 2023, Triple Shooting; Carver May 20, 2022.

Since 2015 George Washington Carver Vocational Technical Senior High School has had six (6) guns confiscated from school.

MHCDC has two schools in our immediate catchment area: Matthew Alexander Henson Elementary School and George Washington Carver Vocational Technical Senior High School. To paraphrase a quote from the Godfather movie; we are going to hold MD Senators and Delegates, and publicly name names, of all that do not protect our children, faculty, staff, and parents!

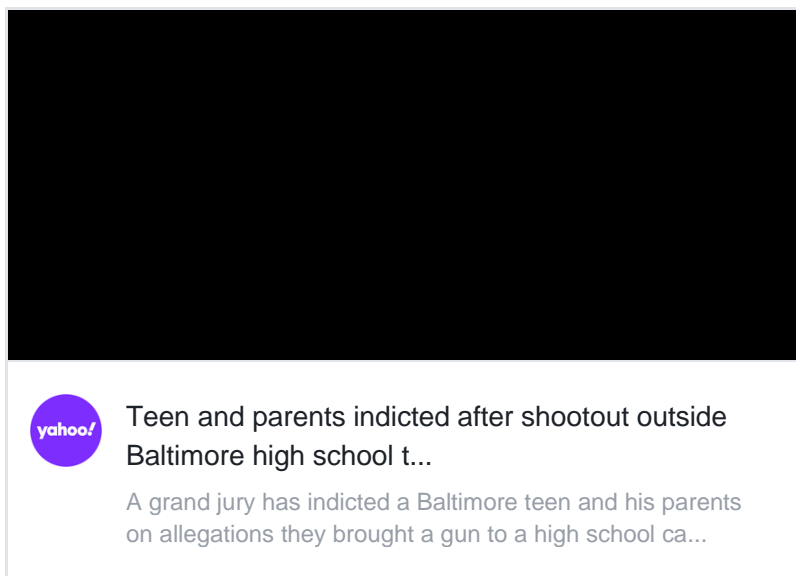

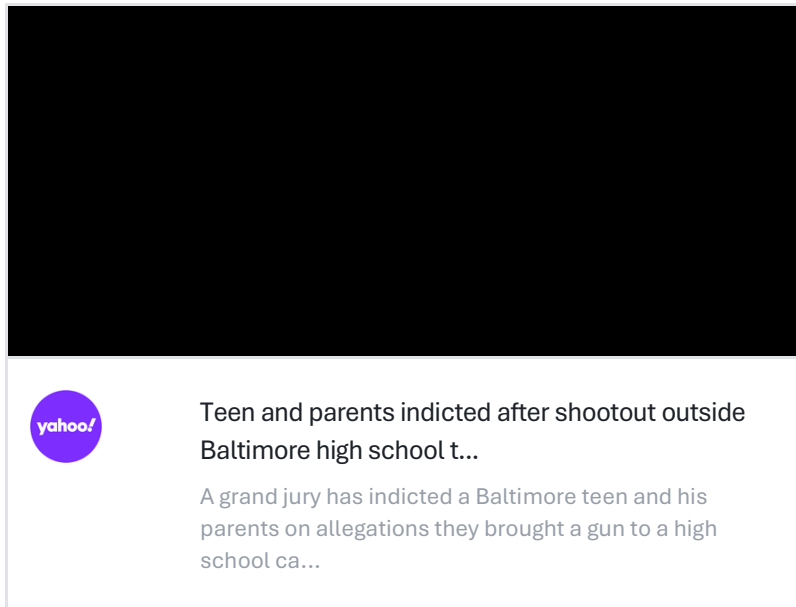

BALTIMORE, Md. — A teenager and his parents were indicted Tuesday for their alleged involvement in an Oct. 27 2022 shooting outside a Baltimore high school that left three people wounded.

The indictment accuses William Dredden III, 40, and Tiffany Harrison, 37, of driving their 15-year-old son to Carver Vocational Technical High School and helping him attack a student outside the school by “striking him repeatedly with a handgun and their fists as he waited for his classes to begin,” Yahoo News reports.

As the three were leaving the area after the attack, prosecutors allege the teen ran into another 15-year-old with whom he engaged in a verbal altercation. Both students pulled out handguns and started shooting, injuring each other. A third student was also injured in the crossfire.
