

**Bill: SB722 /HB1155 - Department of the Environment - Definition of Ecological Restoration**

**Hearing Date: March 26 2025**

**Bill Sponsor: Senators Henson and Augustine and Delegate Stein**

**Committee: Environment and Transportation/Education Energy and Environment**

**Submitting: Carla Tevelow**

**Position: Unfavorable**

**SB722/HB1155**

**Vote NO**

**If passed, there will be little to no hope to stop a proposed watershed project based on BIOLOGY, or current science - especially stream restorations, in the future. This is a wolf in sheep's clothing.**

**Please vote NO on SB722/HB1155**
