

TESTIMONY OF ROGER BLACKLOW AND JIM LIEBERMAN
ON FEBRUARY 11 ,2025
BEFORE THE HOUSE ENVIRONMENT & TRANSPORTATION
IN SUPPORT OF HB449 CONDOMINIUMS – PROPERTY INSURANCE
DEDUCTIBLES – UNIT OWNER RESPONSIBILITY
FAVORABLE

Honorable Chair Marc Korman and Vice Chair Regina Boyce and Members of the House Environment & Transportation Committee:

We are residents of Leisure World in Silver Spring, Maryland, and members of the Leisure World Government Affairs Committee. As unit owners in condominiums, we support HB449 as it addresses an important insurance issue that impacts condominiums and their unit owners. For associations - which are made up of unit owners after all - this would be great as insurance deductibles continue to rise. Our deductible is currently \$50k but we expect over time for it to be substantially increased.

When damages result from individual units that impact our buildings it is not unusual for the damage amount to be above the deductible. The unit owner causing the damage is only liable for \$10k and the association has to pay the balance of the deductible amount before the master policy kicks in. As a result, the HOA fees increase for all unit owners. These costs can cripple an association.

Having higher required insurance amounts for unit owners as provided in HB449 will reduce HOA fees that have to increase to cover extensive damage situations. HB449 keeps up with changing insurance and reconstruction costs.

We fully support the Committee giving a favorable vote for this bill.

Respectfully Submitted,

Roger Blacklow
