RE: HB709 - Landlord and Tenant – Residential Leases and Holdover Tenancies – Local Good Cause Termination Provisions

Dear Chair Korman:

The Maryland Building Industry Association, representing 100,000 employees statewide, appreciates the opportunity to participate in the discussion surrounding **HB 709 Landlord and Tenant – Residential Leases and Holdover Tenancies – Local Good Cause Termination Provisions**. MBIA **Opposes** the Act in its current version.

This bill would authorize any county to adopt by local law or ordinance provisions that would prohibit a landlord of residential property from failing to renew a lease and acknowledges in the text that landlords can have tenants for which a variety of Just Causes can induce a landlord not to renew a lease.

This bill would take away a landlord's rights to exercise their rights under a legal contract agreed to by both parties that is designed to protect landlords from tenants that are unfit for the premises. Furthermore, it places an unfair and potentially expensive burden on landlords and invalidates leases that are legally binding and mutually agreed to.

Lastly, due to the housing shortage, this is a time that we should be encouraging investment in Multi Family Construction. When investors look at projects they look the entirety of the project and the risk involved. The risk includes regulations and other things that make being a landlord difficult in the State of Maryland. For these reasons, MBIA respectfully requests the Committee give this measure an unfavorable report. Thank you for your consideration.
