

Greetings,

I am against this bill. If this bill passes, I will have to make it a priority to not vote in a democrat on the next election.

How sad that the government is doing its best to be irresponsible with taxpayers dollars, health and welfare. Nauseating to consider how they are putting children in danger. Disgusting to see all the additional fees, taxes and tolls that Maryland is considering verses balancing the budget with less spending and not allowing the teachers union to run our government.

As a retiree, I am considering moving from Maryland due to the poor leadership of our State legislators.

Please pay attention to what the people want.
