## HB892-Natural Resources-Canada Geese-Bag Limits

Chairman, Korman, Vice Chair Boyce and members of the  
Environment and Transportation Committee:

Today I am here to present HB 892 which is requiring during the  
migratory Canada goose hunting season, the bag limit for all  
Canada geese in the State to conform to the bag limit for migratory  
Canada geese adopted annually by the Department of the Interior's  
U.S. Fish and Wildlife Service.

Please look at the maps that are included in this testimony which  
indicate the areas of the Atlantic population and the resident  
population for clarity of the issue.

I ask for a favorable vote on HB892
