Subject: HB1184

As a Council member for District 4 in Cecil County, this bill impacts my District. I am asking for an unfavorable decision. I object to diminishing the size and scope of the proposed park. Reducing the size to just 12 acres diminishes the parks ability to provide meaningful use by my constituents and alters the entire scope of this project. Please respect the original size and scope and deem HB1184 unfavorable.

Thank you!

Donna Culberson
