## Opposition to SB 108/HB 804

Chair and members of the Committee,

The Premium Cigar Retailers Association of Maryland represents over 35 adult only brick and mortar premium cigar specialty stores in the State. We appreciate the opportunity to testify on this matter.

We write today in **Opposition to SB 108/HB 804**. The adult customers that buy legal tobacco products should be able to consume them responsibly and reasonably on their own property without interference. This is particularly true for condominium owners who purchased their property and have the ability to smoke within their unit. The ability to smoke within the unit may be the primary reason that owner purchased the unit. This legislation significantly changes the use of a property with little to no recourse for the owner.

The requirement to develop a smoking policy can be difficult to enforce as well. In many multi-unit buildings identifying the origination of smoke can be difficult. A known smoker in one unit can be blamed for smoke emanating from a smoking visitor from another unit or from elsewhere within or outside the building.

For these reasons we respectfully request for an unfavorable report.

Sincerely

Matthew Bohle, Obie Chinemere and Bill Castelli of RWL – 410-269-5066
