

Live the life you want.

Favorable SB157: Maryland Disability Service Animal Program – Established

January 15, 2025

Danielle McCann
113 Wells Avenue
Glen Burnie, MD 21061
dmccann@nfb.org

To Senate Finance Committee:

My name is Danielle McCann. I am currently working my fifth guide dog, Cammie. Working with my dogs has been one of my life's blessings. While the white cane is an obstacle finder, guide dogs are trained to be obstacle avoiders. As someone who has lived and worked in the Baltimore area for five years now, the feeling of weaving around obstacles on the narrow sidewalks is a feeling of freedom that I can't describe.

Please give more blind people in Maryland the opportunity to experience smooth travel and the chance to gain confidence and freedom of movement. Vote in favor of SB157.
