Dear Chair Beidle and Committee Members:

The Maryland Department of Health (the Department) respectfully submits this letter of Information for Senate Bill (SB) 840 – Medicaid Management Information System (MMIS) – Surveillance and Utilization Review Subsystem (SURS) – Publication of Procurement Schedule.

SB 840 requires the Department to publish on its website on or before October 1, 2025 a schedule for the issuance of a solicitation for the procurement of a SURS subsystem for our MMIS system. In addition, the bill requires the Department to publish on its website at least 60 days of notice before the issuance of the procurement.

The Department notes that the solicitation for SURS is expected to be released within the next 60-90 days. The Department will post the information regarding solicitation in the public notice section of its website and on eMaryland Marketplace Advantage procurement system in the required time frame pursuant to procurement processes.

If you would like to discuss this further, please do not hesitate to contact Sarah Case-Herron, Director of Governmental Affairs at sarah.case-herron@maryland.gov.

Sincerely,
