

Maryland Association of School Health Nurses

Committee: Senate Finance Committee

Bill Number: Senate Bill 328 – Maryland Medical Assistance Program and Health Insurance – Annual Behavioral Health Wellness Visits – Coverage and Reimbursement

Hearing Date: February 4, 2025

Position: Support

The Maryland Association of School Health Nurses supports *Senate Bill 328 – Maryland Medical Assistance Program and Health Insurance – Annual Behavioral Health Wellness Visits – Coverage and Reimbursement*. This legislation requires coverage of behavioral health visits for individuals, both children and adults, without a behavioral health diagnosis.

For clinicians treating children, it can be particularly challenging to render a behavioral health diagnosis.ⁱ Therefore, coverage of annual behavioral health wellness visits should not be contingent on a diagnosis. With 4 in 10 students report persistent feelings of sadness and hopelessnessⁱⁱ, we need to remove every barrier to behavioral health care for youth.

We ask for a favorable vote. If we can provide any information, please contact Robyn Elliott at relliott@policypartners.net.
