RE: Fire/EMS Coalition Support for House Bill 1131

Dear Chair Beidle, Vice Chairman Hayes, and Members of the Committee,

The Fire/EMS Coalition would like to express their support for House Bill 1131: **Public Health – Buprenorphine – Training Grant Program and Workgroup**. The bill means to offset the cost of training paramedics to administer buprenorphine by allocating at least \$50,000 from the Opioid Restitution Fund, which the Governor is required to include in the annual budget bill. It also will require the Maryland Office of Overdose Response to workgroup studying the access to buprenorphine in this state.

May it be known The Fire/EMS Coalition supports House Bill 1131. It's very important we make funds available to train emergency personal where they need to be trained with respect to other opioid programs and does not wish to siphon any funding from them; to their detriment, in order to make this bill work.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike McKay".

Our Mission Statement

The Maryland Fire/EMS Coalition unites Republicans and Democrats in support of fire/emergency services legislation that benefit all first responders. Becoming a member does not require taking positions on legislation;

rather Coalition members are asked to offer support in a way that best benefits fire/emergency services in their respective Legislative Districts.
