

Health and Government Operations Committee
House Bill 1472
UNFAVORABLE

Honorable Chair, Vice Chair, and Members of the Health and Government Operations Committee;

Please give House Bill 1472, regarding a Ten Commandments monument, an Unfavorable report. A monument to the Ten Commandments is an endorsement of specific religious beliefs. The sponsors of this bill should think long and hard about whether they'd like a monument war at the State House, because those of us who actually support the freedom of religion will bring it.

Sincerely,
