

SAMPLE AMENDMENT LANGUAGE: No state funding for elective abortion or abortion providers

“Nothing in this [Act, Section, Chapter] shall be construed to authorize the use of state taxpayer funds, including those appropriated by State law or in any trust fund to which funds are authorized or appropriated by State law, for abortion promotion, training, or certification, or for the distribution of abortion inducing drugs, or for the procurement, compensation, subsidization, reimbursement or other financial support of abortion providers or their affiliates. This limitation does not apply to an abortion if the pregnant woman suffers from a physical disorder, physical injury, or physical illness that would, as certified by a physician, place the woman in imminent danger of death unless an early termination of the pregnancy is performed, including a life-endangering physical condition caused by or arising from the pregnancy itself, nor does it apply to medical treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of an abortion.”
