

Health and Government Operations Committee
House Bill 1059
Favorable

Honorable Chair, Vice Chair, and Members of the Health and Government Operations Committee;

Please give House Bill 1059, regarding a HEALTH fund, a Favorable report.

The Trump/ Musk administration has repeatedly indicated that it doesn't care about the people of this country. Their joy at cutting funding to health programs is psychopathic. They have made it clear that cruelty is the point. Maryland needs to help the people who Trump/ Musk harm. Please support House Bill 1059 so that we can assist to some extent. Thank you.

Sincerely,
Debi Jasen
