

WCE 11

Dear, Delegates of the
Health and Government Operations

My name is Madi I'm a 4th
grad student at Prince Street
Elementary School. I'm writing
to you about the purple picker
plant its butterfly lover in
violet and geese's lover in violet
pest free. It smells good too!
but the colors are so butterfly
so please vote to make the
picker plant the car wiper
paint of marking?

By Madi
