Jurisdiction: Baltimore County
Bill: HB 1129 Gender Neutral Language
Position: Oppose

For the purpose of requiring the MD Constitution to be gender neutral.

Honestly, there are 2 genders created by God. Our Constitutions honor the belief that there not only is a God but respects God and Christian values.

Whether you believe this or not, the fact is there are 2 genders.

I oppose this bill as a woman born, raised and still in MD after decades.

Please oppose this bill and honor me and all Marylanders.

Thank you for your consideration.

Respectfully submitted,

Jean Benhoff
