

**Witness:** Jean Miceli Benhoff  
**Jurisdiction:** Baltimore County  
**Bill:** HB 1199 International Doctors  
**Position:** Oppose

For the purpose of hiring international doctors:

In my view and as a 7 year decade resident of MD:

I oppose this bill unless:

- 1) The doctor is required first to become a citizen of the United States.
- 2) ONLY if there is no American citizen doctor with the required credentials/specialty if applicable, to fill the position.

Thank you for your consideration.

Respectfully submitted,

Jean Benhoff
