Dear, Delegate of the Health and
Government Operations Committee,

My name Ezei Evans and I'm in
4th grade student in Prince Street
elementary School. I'm writing to
you today because I want to talk about
making the Purple Picker the official
Carnivorous Plant. I think it should be
because the Purple Picker Plant uses
lot of water and Maryland has a lot
of water. I hope that you can help
by voting for the Purple Picker Plant
You will not regret it and it will keep
our environment pest free thank you
so much for this opportunity

Ezei Evans
