FREEDOM FLAG LEGISLATION - 2025 Case Support for Maryland

1. 2,977 lives lost (including 70+ with ties to Maryland), a day we promised to “Never Forget.”
2. Incredible heroism by first responders 343 FDNY, 69 police/rescue, and the passengers/crew of United Flight 93.
3. Deadliest day on American soil since the Civil War (more lives lost than at Pearl Harbor).
4. Deadliest terrorist attack in world history.
5. International implications: citizens from over 90 nations perished on 9/11.
6. Attack on our freedoms and institutions ... painful reminder that "Freedom is not Free."
7. The death toll of first responders who have died of 9/11 related illness now exceeds the 9/11 death toll (3,000+ ... source: <https://theconversation.com/20-years-on-9-11-responders-are-still-sick-and-dying-166033>).
8. Since 9/11, over 7,000 servicemen and women have paid the ultimate sacrifice protecting our freedoms around the world.
9. It's been over 21 years since the day that changed the course of American (and world) history.
10. Nearly 100 million Americans – including approximately 1.5 million Marylanders – have been born since 9/11 or were too young to remember the events (approaching 25% of our population).
11. Today's K-12 students and the majority of college-aged students were all born after 9/11.
12. Over 20 years later, teaching about 9/11 is only required in 14 states:

13. The Freedom Flag is our Nation's only codified flag/symbol of remembrance for 9/11:
 - Virginia (2018): VAC §1-510
 - Oklahoma (2022): O.S. Title 25 §93.3
 - Delaware (2022): 29 Del. Code §331
14. The Freedom Flag is a demonstrated and enduring symbol of remembrance, flown/displayed in all 50 states, and proven educational tool for the next generation.

Dear Mr. Harris,

Thank you again for your generous donation of a Freedom Flag to the Maryland State Police. It is an honor for our department to receive so visible a symbol of American strength and pride. I am proud to say that members of the Bel Air Barrack held a flag raising ceremony on the morning of September 11, 2002 and respectfully displayed the Freedom Flag for all to see. This was a valuable opportunity to pay respect to all heroes and victims of the September 11th attacks.

Once again, thank you for your kind donation. I look forward to working with you in the future on matters of mutual concern.

Sincerely,

Terri L. Taylor - Captain
Commanding Barrack "D"
Department of State Police
