HB 580: Terminology and Obsolete References – Maryland State Firefighters Association and Related Terms

My name is Chief Robert Phillips, and I am the Legislative Committee Chair for the Maryland State Firefighters Association (MSFA)

I wish to present testimony in support of **House Bill 580: Terminology and Obsolete References – Maryland State Firefighters Association and Related Terms**

The MSFA is in support of this bill. This past summer after three attempts the Maryland State Firefighters Association (MSFA) changed its name to The Maryland State Firefighters Association. With the change we asked Delegate Hutchinson to assist with the legislation to make the change through out all of Maryland legislature which he agreed to do. This bill just allows for this to happen and:

The MSFA asks that you return a FAVORABLE vote on HB580

Thank you and I would be glad to answer any questions you might have

Respectfully:

Robert Phillips
