

Dear Health And Government
Operation Committee

My name is DYLAN Jesus Molina Sanchez
I am a 4th grade student
at Prince Street elementary.
I am writing to you today
because making the purple Pitcher
plant markland its official Carnivores
plant. It is native to markland and
it can kill most of the pest we
don't like. I hope that you
can help by making the
the pitcher plant a Carnivores
plant because it can do many
useful things and it is native
to markland. Thank you! very
much for your attention
to this issue with your
help I believe that we can
have a pretty Carnivores plant

DYLAN
