

BILL NO: House Bill 939
TITLE: Maryland Commission for Women - Maryland Collaborative to Advance Implementation of Coverage of Over-the-Counter Birth Control
COMMITTEE: Health and Government Operations
HEARING DATE: February 20, 2025
POSITION: **SUPPORT**

The Women's Law Center of Maryland strongly supports House Bill 939 – Maryland Commission for Women – Maryland Collaborative to Advance Implementation of Coverage of Over-the-Counter Birth Control. The bill establishes a collaborative of reproductive justice advocates, insurers and pharmacy benefit managers to advance the implementation of coverage of over-the-counter birth control.

Maryland was the first state in the country to adopt coverage requirements for over-the-counter birth control with the Maryland Contraceptive Equity Act of 2016. Now, a total of 10 states have similar requirements, and even the U.S. Department of Health and Human Services was on the verge of adopting broad coverage requirements for over-the-counter birth control before the change in administrations.

Although Maryland's coverage requirements have been on the books for nearly 10-years, there are few consumers who have been able to use their insurance for over-the-counter birth control. The Women's Law Center of Maryland has been partnering with Ibis Reproductive Health and Reproductive Justice Maryland to assess the impact of implementation delays. We believe a collaborative can identify and support practical and concrete solutions to ensuring over-the-counter coverage works in Maryland.

We ask for a favorable report. If we can provide any additional information, please contact Robyn Elliott at relliott@policypartners.net.

The Women's Law Center of Maryland is a private, non-profit, legal services organization that serves as a leading voice for justice and fairness for women. It advocates for the rights of women through legal assistance to individuals and strategic initiatives to achieve systemic change, working to ensure physical safety, economic security, and bodily autonomy for women in Maryland.
