

Health and Government Operations
Committee. Making the PURPLE Pitcher
Plant Almost Famous in MARYLAND,
the SMELL doesn't SMELL good but VOTING have
a dinner if you choose to touch it. CARHIVEURS
Plant I think that it qualifies because
it is native to MARYLAND our wetlands it is.
Also beneficial to our Environment because it
Vote YES on house Bill 802 and Make this
Beautiful, and useful plant our official
CARHIVEURS. Plant thank you Government
Manuela."
