

What Phenibut looks like in pill form

A collage of three screenshots from mobile shopping apps. The left screenshot shows a product page for 'Metabolic Response Modifiers Relax-All With Phenibut' with a purple bottle image. The middle screenshot shows a product page for 'Repp Sport Phenibut Stress Relief' with a placeholder image. The right screenshot shows a product page for 'Phenibut HCL (250mg/capsule), 60 Capsules' with a white bottle image and a price of \$24.99.

Examples of Phenibut availability on InstaCart and pickup at the Columbia MD Harris Teeter
