The Honorable Kenneth Kerr
Chair, Government Operations And Health Facilities Subcommittee,
Health and Government Operations Committee
209 Lowe House Office Building
6 Bladen Street
Annapolis, MD 21401

Dear Delegate Kerr,

The Department of General Services (DGS) supports House Bill 304, as amended following extensive discussions between your office and representatives and the Department's Office of State Procurement (OSP). DGS greatly appreciates this collaborative approach.

In response to your question regarding the fiscal impact of this bill on DGS, the Department does not believe the bill, as amended, will impose additional operational or personnel costs that cannot be accommodated with existing resources.

Again, DGS fully supports the bill as amended and looks forward to providing any additional assistance you may require.

Sincerely,

John R. Woolums, Esq.
Director of Government and Legislative Affairs
