

Senate Bill 398

Date: February 5, 2025

Committee: Senate Judicial Proceedings

Position: Favorable

Founded in 1968, the Maryland Chamber of Commerce (Maryland Chamber) is a statewide coalition of more than 7,000 members and federated partners working to develop and promote strong public policy that ensures sustained economic growth and opportunity for all Marylanders.

By providing for an automated expungement of certain misdemeanors either three or seven years after the disposition of the case, Senate Bill 398 (SB 398) would improve access to criminal record sealing, a common-sense measure that will grow our workforce and strengthen our businesses.

Over 400,000 Marylanders are currently eligible to have their old criminal records fully cleared but are held back by a process that is expensive, time-consuming, and difficult to navigate. SB 398 would alleviate those burdens, ending a restriction currently limiting our labor force. This new, expansive workforce would have tremendous benefits for our employers that go beyond the labor shortage, allowing our state's businesses to grow and succeed. Employers who hire justice-impacted workers [report](#) that their quality of work and contributions are on par with or better than other employees, and turnover rates are notably lower.

Additionally, the U.S. Chamber of Commerce [released a report](#) in 2021 that estimated that excluding formerly incarcerated job seekers from the work force has cost the United States at least \$78 billion in lost gross domestic product. The ability to hire and retain qualified, hard-working individuals will help sustain healthy and prosperous businesses throughout Maryland.

The Maryland Chamber believes in the importance of second chance employment, both for developing our state's workforce and for uplifting our communities. In recent years, through our Maryland Chamber Foundation, the Maryland Chamber of Commerce has been actively engaged in seeking ways to address the challenges faced by returning citizens as these individuals prepare for and seek employment post-incarceration. We believe all Marylanders should be able to actively serve their communities.

For these reasons, the Maryland Chamber of Commerce respectfully requests a **Favorable Report** on **SB 398**.
