

Regarding this clause:

(5) A GOVERNING BODY SHALL REVIEW PROGRESS TOWARD  
COMPLIANCE WITH THE FUNDING PLAN DEVELOPED UNDER THIS SUBSECTION AT  
EACH ANNUAL MEETING OF THE GOVERNING BODY.

Please consider:

While this should be done annually, it should not be required at the one and only annual meeting. Two annual meetings should be required each year. Elections, reserve studies, and citizen participation are too much for one meeting when room space is hard to book and evening meetings face drop off rates as people go to bed.
