

I strongly oppose HB1222 for the following reasons:

HB1222 is a pro-criminal, anti-public safety bill that prioritizes shielding violent offenders over protecting Maryland communities.

By terminating existing immigration enforcement agreements (such as 287(g)) by July 1, 2025, HB1222 ensures that local law enforcement cannot cooperate with ICE to remove violent criminals from our streets.

This creates a safe haven for repeat offenders, gang members, and other dangerous individuals.

Please vote NO on HB1222.
