

## Testimony in SUPPORT of SB 828

SB 828 - Immigration Enforcement - Sensitive Locations - Guidelines and Policies (Protecting Sensitive Locations Act)

Senate Judiciary Proceedings Committee

March 4, 2025

Dear Honorable Chair Smith, Vice Chair Waldstreicher, and Members of the Committee,

My name is Marjorie Simon. I am a resident of District 11B. Along with others from my synagogue, Chizuk Amuno Congregation and Schools, I have been helping to resettle Afghan newcomers since February 2022. I am submitting **a favorable testimony in strong support of SB 828-Immigration Enforcement-Sensitive Locations-Guidelines and Policies (Protecting Sensitive Locations Act).**

The family I am currently assisting has children in middle school and high school. They are working so hard to learn English and to succeed in school. I don't want them to feel that school is not a safe place for them.

For over a decade, federal policy limited Immigration and Customs Enforcement (ICE) activities in sensitive locations—such as hospitals, schools, courthouses, and places of worship—to prevent intimidation and ensure access to essential services. However, as of January 20, 2025, the revocation of these protections has left immigrant communities vulnerable to enforcement actions in spaces where they should feel safe. This shift has already created an environment of fear and uncertainty, discouraging individuals from seeking medical care, pursuing education, accessing legal resources, or engaging with law enforcement. As a result, our communities, public health, and overall safety are at risk.

Everyone should access essential services without fear of detention or separation. Public safety improves when immigrants feel safe reporting crimes and seeking help. Clear enforcement boundaries build trust, strengthening communities and institutions. For these reasons, **I urge the committee to provide a favorable report on SB 828.**
