MARYLAND STATE POLICE PERSONNEL PLEASE NOTE: If any of the following firearms is a pistol (not a revolver) and test fired locally, forward a cartridge casing to the Maryland State Police Forensic Sciences Division (FSD) so that the cartridge can be entered into the Integrated Ballistic Information System (NIBIN). You may contact FSD at 443-357-1300 or by e-mail at msp.fatmu@maryland.gov. If the firearm has an obliterated serial number, the firearm must be sent to the lab for serial number restoration. Once the lab completes the restoration, re-contact the Gun Center with the serial number so that additional checks may be completed.
