RE: OPPOSITION of Senate Bill 07091

(Criminal Law – Masked Intimidation – Prohibition (Unmask Hate Act)) –
UNFAVORABLE

Dear Chair Smith and Judicial Proceedings Committee Members,

My name is Alexander DeTrano, I am a MD resident and I am writing to urge you to vote unfavorably on House Bill 1081/Senate Bill 0709. Carve-outs for medical mask use are not enough to protect disabled people from the dangerous consequences of this bill. Anti-mask laws will only increase mask stigma, increasing harassment and discrimination against mask-wearers.

My wife is chronically ill with a compromised immune system. Wearing a mask for health reasons at a protest or other lawful gathering could put a target on our backs. It could discourage us from attending in the first place and we would not be able to safely exercise our first amendment rights.

Criminalizing masking is bad policy for public health. This is especially true right now, as the Maryland Department of Health recommends masking due to high hospitalization rates for COVID, influenza, and RSV.

Health exemptions for mask bans are impractical and unfair to enforce. The logistical challenges of verifying exemptions would result in inconsistent application and abuse, creating a civil rights and public health crisis.

It will also escalate biased law enforcement, which already disproportionately harms Marylanders who are Black, Indigenous, and/or People of Color (BIPOC). And this legislation will create a chilling effect on anyone who simply wants to protect themselves from airborne illness as they go about their lives.

For these reasons and more I ask that the Senate Judicial Proceedings Committee give SB0706 an unfavorable report.
