RE: [HB1222](#): Public Safety - Immigration Enforcement (Maryland Values Act)

Dear Delegates,

We oppose HB 1222 and request that you reject this bill.

We support Delegate Brian Chisholm's logic on this issue:

“The bill aims to reduce local involvement in federal immigration enforcement while maintaining a mechanism for detaining violent offenders. However, it presents a trade-off between limiting cooperation with federal authorities and potentially losing valuable funding and opportunities for local law enforcement. “

Maryland should support the expulsion of those who are here illegally and co-operate with federal authorities, and take every action necessary to do so. B

The bill does not put Marylanders first. We expect you to PUT MARYLANDERS FIRST and make that the criteria for approving or rejecting any and all bills.

Sincerely,

Christine Hunt and Jay Crouthers
