**HB1006 – Immigration Enforcement- Sensitive Locations – Guidelines and Policies
(Protecting Sensitive Locations Act)**

February 2020, 2025

FAVORABLE

Honorable Chair Korman and Members of the Judiciary Committee:

I am writing to urge your support of **HB 1006 Immigration Enforcement- Sensitive Locations – Guidelines and Policies**, also known as the **Protecting Sensitive Locations Act**.

The objective of this bill is to require state agencies that operate at sensitive locations to implement policies that protect individuals by limiting the presence of immigrant enforcement. Some of these sensitive locations include schools, place of worship, medical facilities, and all sites that provide social services.

According to the U.S Census Bureau and American Community Survey immigrants make up roughly 16.7 percent of Maryland's population. With ongoing ICE raids occurring all over the country, fear and anxiety are present in our communities. These raids are a threat to our immigrant community, and especially to those who are undocumented. The ICE raids have caused members of our community to lose days of work, keep their children from attending classes, and to stay in their homes due to the fear of potentially encountering immigrant enforcement.

The lack of protection in sensitive locations will result in drastic consequences, such as damaging our local economies, isolating our community members, and preventing individuals from seeking essential services. We cannot allow immigration enforcement to intimidate or unlawfully detain citizens in places that are meant to be secure. Immigrants are vital to the fabric of our community, and we must stand alongside them during this time.

It is vital that HB 1006 passes to protect people visiting sensitive locations ranging from hospitals, mental health facilities, courthouses, and demonstrations. The uncertainty brought about through the new administration's immigration policies highlight the need to keep sensitive locations secure for everyone regardless of their immigration or citizenship status. We must remain steadfast in our commitment to protecting the rights of every member of our community and ensure the safety of immigrants across the state of Maryland.

I implore you all to pass a favorable report for HB 1006

Please do not hesitate to contact me should you have any questions. I can be reached by phone at: 410-396-4814 or by email at odette.amos@baltimorecity.gov.

Respectfully Submitted:
