WRITTEN TESTIMONY

House Bill 305- Criminal Law - Interference with Access to or Egress From a Religious Facility – Prohibition.

Judiciary Committee

February 11, 2025

Support

Background: Modeled after legislation preventing the blocking of access to medical facilities, this legislation would establish a misdemeanor penalty for those who block access to the entrance of religious facilities. Religious facilities include a place of worship, cemetery, religious school, educational facility, community center and the grounds adjacent to them.

Written Comments: The Baltimore Jewish Council (BJC) represents the Associated Jewish Federation of Baltimore and all its agencies, and programs, as well as the organized Jewish Community of Baltimore. As incidents of protest increase across the country, it is important that access to religious facilities remains a priority and that people feel safe entering them. We have seen students at Hillels on college campuses and community members at their local synagogues feel intimidated and fearful of entering these facilities because protestors have blocked the entrances. This behavior is unacceptable, and access should be safeguarded by the state.

For these reasons, we ask for a favorable report on HB305.

The Baltimore Jewish Council, a coalition of central Maryland Jewish organizations and congregations, advocates at all levels of government, on a variety of social welfare, economic and religious concerns, to protect and promote the interests of the Associated Jewish Community Federation of Baltimore, its agencies and the Greater Baltimore Jewish community.
