§5–401.

- (a) In this subtitle the following words have the meanings indicated.
- (b) “Board” means the Handgun Roster Board.
- (c) (1) “Handgun” means a pistol, a revolver, or any other firearm capable of being concealed on the person.

(2) “Handgun” does not include a shotgun, a rifle, a short–barreled rifle, a short–barreled shotgun, or an antique firearm.
- (d) “Handgun roster” means the roster of authorized handguns compiled by the Board under § 5–405 of this subtitle.
- (e) “Secretary” means the Secretary of State Police or the Secretary’s designee.

§5-402.

(a) This subtitle does not affect a person's right to:

(1) manufacture, sell, or offer to sell a rifle or other weapon that is not defined as a handgun in § 4-201 of the Criminal Law Article;

(2) manufacture a prototype handgun model required for design, development, testing, and approval by the Board; and

(3) manufacture in this State a handgun that is not on the handgun roster by a federally licensed gun manufacturer who is also licensed as a regulated firearms dealer in this State for direct sale to a unit of:

(i) the federal government;

(ii) a state other than this State;

(iii) a local government in a state other than this State; or

(iv) a law enforcement agency in a state other than this State.

(b) (1) A person is not strictly liable for damages for injuries to another that result from the criminal use of a firearm by a third person.

(2) Paragraph (1) of this subsection does not apply if the person conspired with the third person to commit the criminal act in which the firearm was used or willfully aided, abetted, or caused the commission of the criminal act in which the firearm was used.

(3) This subtitle does not otherwise negate, limit, or modify the doctrine of negligence or strict liability that relates to abnormally dangerous products or activities and defective products.

Article - Public Safety

[Previous][Next]

§5–404.

- (a) There is a Handgun Roster Board in the Department of State Police.
- (b)
 - (1) The Board consists of 11 members.
 - (2) Of the 11 members of the Board:
 - (i) one shall be the Secretary as an ex officio member;
 - (ii) ten shall be appointed by the Governor with the advice and consent of the Senate; and
 - (iii) all shall be Maryland residents.
 - (3) Of the ten appointed members of the Board:
 - (i) one shall be a representative of the Association of Chiefs of Police;
 - (ii) one shall be a representative of the Maryland State's Attorneys' Association;
 - (iii) one shall be a handgun dealer, gunsmith, or representative of a handgun manufacturer;
 - (iv) one shall be a resident of the State who is a representative of the National Rifle Association or its affiliated State association;
 - (v) one shall be a representative of an organization that advocates against handgun violence; and
 - (vi) five shall be public members, two of whom shall be mechanical or electrical engineers.
- (c) The term of an appointed member is 4 years.
- (d) The Secretary shall serve as chairman.
- (e) The Board shall meet at the request of the chairman or of a majority of the members.

[Previous][Next]

§5–405.

(a) The Board shall:

- (1) compile and maintain a handgun roster of authorized handguns that are useful for legitimate sporting, self-protection, or law enforcement purposes;
- (2) annually publish the handgun roster in the Maryland Register; and
- (3) semiannually send a copy of the handgun roster to all persons who hold a State regulated firearm dealer's license under Subtitle 1 of this title.

(b) The Board shall consider carefully each of the following characteristics of a handgun without placing undue weight on any one characteristic in determining whether any handgun should be placed on the handgun roster:

- (1) concealability;
- (2) ballistic accuracy;
- (3) weight;
- (4) quality of materials;
- (5) quality of manufacture;
- (6) reliability as to safety;
- (7) caliber;
- (8) detectability by the standard security equipment that is commonly used at an airport or courthouse and that is approved by the Federal Aviation Administration for use at airports in the United States; and
- (9) utility for legitimate sporting activities, self-protection, or law enforcement.

(c) (1) The Board may place a handgun on the handgun roster on its own initiative.

(2) The Board shall place a handgun on the handgun roster on the successful petition of any person subject to subsections (d) and (e) of this section, unless a court, after all appeals are exhausted, has made a finding that the decision of the Board shall be affirmed.

(3) A petition to place a handgun on the handgun roster shall be submitted

to the Board in writing in the form and manner that the Board requires.

(4) A person who petitions for placement of a handgun on the handgun roster has the burden of proving to the Board that the handgun should be placed on the handgun roster.

(d) (1) Within 45 days after receipt of a petition to place a handgun on the handgun roster, the Board shall:

(i) deny the petition in writing, stating the reasons for denial; or

(ii) approve the petition and publish a description of the handgun in the Maryland Register, including notice that any objection to the handgun's inclusion on the handgun roster shall be filed with the Board within 30 days.

(2) If the Board fails to deny or approve a petition within the time required under paragraph (1) of this subsection, the petition shall be considered denied.

(e) (1) If the Board denies a petition to place a handgun on the handgun roster, the Board shall notify the petitioner by certified mail, return receipt requested.

(2) The petitioner may request a hearing within 15 days after the date that the Board's denial letter is received.

(3) (i) If the petitioner requests a hearing under paragraph (2) of this subsection, within a reasonable time not to exceed 90 days after receiving the request, the Board shall:

1. hold a hearing on the petition; and

2. issue a written final decision on the petition.

(ii) The Board shall provide notice of the hearing in accordance with Title 10, Subtitle 2 of the State Government Article.

(iii) At a hearing held under this paragraph, the petitioner has the burden of proving to the Board that the handgun should be placed on the handgun roster because the handgun is useful for legitimate sporting activities, self-protection, or law enforcement purposes.

(4) Any party of record who is aggrieved may appeal within 30 days after a final decision of the Board in accordance with Title 10, Subtitle 2 of the State Government Article.

(f) This section does not require the Board to test any handgun or have any handgun tested at the expense of the Board.

§5-406.

(a) (1) Except as provided in § 5-402 of this subtitle, a person may not manufacture for distribution or sale a handgun that is not included on the handgun roster in the State.

(2) A person may not sell or offer for sale in the State a handgun manufactured after January 1, 1985, that is not included on the handgun roster.

(3) A person may not manufacture, sell, or offer for sale a handgun on which the manufacturer's identification mark or number is obliterated, removed, changed, or otherwise altered.

(b) The Secretary may seek an order from a circuit court to permanently or temporarily enjoin the willful and continuous manufacture, sale, or offer for sale, in violation of this section, of a handgun that is not included on the handgun roster.

(c) (1) A person who manufactures a handgun for distribution or sale in violation of this section is guilty of a misdemeanor and on conviction is subject to a fine not exceeding \$10,000 for each violation.

(2) A person who sells or offers to sell a handgun in violation of this section is guilty of a misdemeanor and on conviction is subject to a fine not exceeding \$2,500 for each violation.

(3) For purposes of this subsection, each handgun manufactured, sold, or offered for sale in violation of this subsection is a separate violation.

[Previous][Next]

The following is a list of handguns
manufactured after January 1, 1985
that have received final approval by the
Handgun Roster Board.

HANDGUN ROSTER

January 2024

Rachel Rosenberg
Handgun Roster Board Administrator
Maryland State Police

PREFACE

Be advised that the Handgun Roster is a live, electronic document and that this publication represents only those firearms that appeared on the roster as of January 1, 2024. Current roster listings can be found on the Licensing Division's portal of the Maryland State Police, <https://licensingportal.mdsp.maryland.gov/MSPBridgeClient/#/home>.

Effective, July 1, 2021, handgun model numbers were no longer considered by the Maryland Handgun Roster Board (HRB).

Questions regarding this publication or the roster as it appears on the portal can be directed to the Handgun Roster Board Administrator, Ms. Rachel Rosenberg.

Ms. Rachel Rosenberg
Handgun Roster Board Administrator

Attorney General Brown and City of Baltimore File Lawsuit Seeking to Hold Glock Accountable for Manufacturing and Selling Pistols That Are Easily Turned Into Illegal Machine Guns Using ‘Glock Switches’

Fully Automatic Modified Glocks Increasingly Turning Up at Crime Scenes in Baltimore and Throughout State, Disproportionately Impacting Youth and Harming Marylanders

BALTIMORE, MD (February 12, 2025)– Attorney General Anthony G. Brown and Baltimore Mayor Brandon Scott, alongside Everytown Law and Motley Rice LLC, today filed a lawsuit against Glock, Inc., the manufacturer of handguns most frequently recovered in connection with crimes, alleging that Glock is facilitating the proliferation of illegal machine guns on the streets of Baltimore and across Maryland. The lawsuit also names Glock Ges.m.b.H, the Austria-based parent company of Glock, Inc., the U.S. subsidiary.

The lawsuit alleges that Glock unreasonably endangers and harms public health and safety in Maryland by manufacturing and selling to Maryland civilians semiautomatic pistols that can easily be converted to illegal machine guns with an auto sear – a cheap, small device commonly known as a “Glock switch.” According to the lawsuit, Glock has knowingly harmed Marylanders, particularly in Baltimore and among the City’s and State’s youth, by facilitating the proliferation of illegal machine guns and failing to implement reasonable controls to combat the unlawful possession, alteration, and use of its semiautomatic pistols. The suit is the first to use Maryland’s new Gun Industry Accountability Act, passed and signed into law in 2024.

“We will not allow the gun industry to turn a blind eye to grieving families and pursue profit over people’s lives. This case shows that our Office will hold members of the firearms industry accountable for their role in the gun violence epidemic,” **said Attorney General Brown.** “It is unacceptable for companies to distribute and market a product that they know can easily be modified to inflict terror on communities across Maryland.”

“Confronting the epidemic of gun violence in our communities means holding everyone responsible, from those pulling the trigger to those making it easier to access — and modify — weapons,” **said Mayor Brandon M. Scott.** “As we continue to achieve historic reductions of homicides and nonfatal shootings in Baltimore, we must continue to redouble our efforts to drive violence down even more. We’ve had significant success in litigation against manufacturers before, and I am confident that alongside our

incredible partners Attorney General Brown and Everytown for Gun Safety, that this suit will be successful in holding Glock accountable for the deadly impact they've had on our neighborhoods.”

“With modified Glocks, one trigger pull can be devastating to the community, putting so many innocent lives at risk,” said **Baltimore Police Department Commissioner Richard Worley**. “These illegal weapons have no place in our neighborhoods, and we must work together to keep them off our streets and out of the hands of criminals.”

“Glock’s role in facilitating the proliferation of illegal machine guns has been widely known, yet Glock has refused to take basic and meaningful steps to fix the problem,” said **Eric Tirschwell, executive director of Everytown Law**. “We are honored to be working with Mayor Scott and Attorney General Brown to hold Glock accountable for the reprehensible decision to continue selling its easily modified pistols, knowing that by doing so it is exacerbating gun violence in Baltimore and elsewhere in Maryland, disproportionately harming youth and recklessly putting law enforcement at increased risk of harm.”

While machine guns have been heavily regulated and restricted under Maryland and federal law for almost a century because of their extreme dangerousness, today’s lawsuit alleges that Glock’s continued sale of pistols that are uniquely easy to convert into illegal machine guns and its refusal to take reasonable steps to fix the problem has made it possible for criminals to arm themselves with fully automatic firepower—returning the machine gun to the streets of Baltimore.

Filed earlier today in the Circuit Court of Maryland for Baltimore City, the lawsuit reports that from 2023 to 2024, at least 100 Glock pistols illegally modified to fire fully automatically were recovered at crime scenes and in connection with criminal investigations by the City of Baltimore Police Department (BPD). According to the complaint, the problem is intensifying: recovery of modified Glocks in Baltimore nearly doubled from 2023 to 2024.

As the lawsuit alleges, a particularly shocking aspect of the growing problem in Baltimore is its impact on young people. According to the complaint, approximately half of the individuals arrested by BPD in connection with incidents involving illegally modified Glocks were under the age of 21. The complaint details incidents involving law enforcement officers being shot at with modified Glocks and numerous examples of fully automatic Glocks recovered locally in connection with serious and violent crimes and alleges that those armed with modified Glocks are emboldened because of their military-grade firepower.

Plaintiffs seek an order enjoining Glock from continuing to sell its easily modifiable pistols to civilian residents of Maryland. Plaintiffs also seek relief in the form of restitution and abatement for the harm that Glock has knowingly and foreseeably caused.

In recent years, the ease with which Glock pistols can be modified with Glock switches has gained national attention for its unique and outsized role in worsening America’s gun violence crisis. According to one Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) agent, the use of guns equipped with auto sears is “one of the scariest things” the agency has dealt with in decades.

Once installed, Glock switches allow pistols to fire up to 1,200 rounds per minute – a rate as fast as, or faster than, many fully automatic firearms and machine guns used by the United States military. According to a recent Everytown for Gun Safety [report](#), twenty cities reported recovering more than 560 machine gun conversion devices in 2023 alone, at least two-thirds of which were “Glock switches.”

In July 2024, Everytown Law joined with the City of Chicago Law Department and the law firm Motley Rice to bring a [first-of-its-kind lawsuit](#) against Glock for its role in flooding the City of Chicago with weapons that can easily be converted into illegal automatic weapons. Shortly after initially filing that suit, a coalition of attorneys general from twelve states and Washington, D.C., sent a letter to Glock, calling on the company to preserve documents related to this issue. The Offices of New Jersey Attorney General Matthew Platkin and Minnesota Attorney General Keith Ellison [subsequently filed lawsuits](#) against Glock, seeking to hold the company accountable for endangering the health and safety of New Jersey and Minnesota residents, respectively.

Baltimore Mayor Brandon Scott is Co-Chair of [Mayors Against Illegal Guns](#), a joint program of the Everytown for Gun Safety Support Fund and Everytown for Gun Safety.

The State of Maryland is represented by Assistant Attorney General Joshua Chazen. The City of Baltimore attorneys co-leading this suit are Sara Gross and Tom Webb of the Affirmative Litigation Division of the Baltimore City Department of Law. The Everytown Law team representing the City of Baltimore and State of Maryland includes Eric Tirschwell, Alison Barnes, and Nina Sudarsan. The Motley Rice team representing the City of Baltimore and the State of Maryland includes litigators Mimi Liu, Paige Boggs, and Brendan Austin.

v.

GLOCK, INC.,
6000 Highlands Pkwy SE
Smyrna, Georgia 30082

-and-

GLOCK GES.M.B.H.,
Gaston Glock-Platz 1
2232 Deutsch-Wagram, Austria

Defendants.

IN THE CIRCUIT COURT OF MARYLAND
FOR BALTIMORE CITY

Civil Action No.:

**COMPLAINT AND
DEMAND FOR JURY TRIAL**

Plaintiffs, Mayor and City Council of Baltimore (“Baltimore” or “City”) and the State of Maryland (“State”), file this complaint against Defendants, Glock, Inc. and Glock Ges.m.b.H. (together, “Glock”), to hold them accountable for the misconduct alleged below.

SUMMARY OF ACTION

1. The machine gun, which has been illegal for decades, has returned to the streets of Maryland. Between 2023 and 2024, the City of Baltimore Police Department (“BPD”) recovered at crime scenes and in connection with criminal investigations at least 100 Glock pistols that were

illegally modified to fire fully automatically—that is, to operate like a machine gun. The problem is intensifying: almost *double* the number of illegally modified Glocks were recovered in 2024 than just the year before.

2. These Glock pistols were illegally modified with the insertion of a simple, dime-sized device called an auto sear, a type of machine gun conversion device. Glocks affixed with auto sears (“Modified Glocks”) can fire fully automatically – up to 1,200 rounds per minute, a rate as fast or faster than many fully automatic firearms used by the U.S. military.

3. According to one ATF agent, the use of guns equipped with auto sears is “*one of the scariest things*” the agency has dealt with in decades.¹

4. In recent years, the practice of installing auto sears on Glock pistols has become so prevalent that auto sears are commonly known as “Glock switches”—“switches” because they allow shooters to toggle between semiautomatic and fully automatic firing modes.

5. This is a problem that Glock can solve, but it has chosen not to. The features of Glock’s pistol design that make it especially susceptible to modification can be easily altered to prevent that modification.

6. Instead of taking reasonable action to address the problem, Glock has made the reprehensible business decision to continue profiting from the sales of its easily modifiable guns to the civilian market. As a result, Glock harms the health and safety of the residents of Baltimore and Maryland and increases and exacerbates the injuries, death, and fear from gun violence and the proliferation of illegal machine guns.

¹ Alain Stephens & Keegan Hamilton, *The Return of the Machine Gun*, THE TRACE (Mar. 24, 2022), <https://www.thetrace.org/2022/03/auto-sear-gun-chip-glock-switch-automatic-conversion> (emphasis added) [<https://perma.cc/3MPK-WE5S>].

7. Glock bears legal responsibility for its role in this escalating public health and safety crisis in Baltimore and Maryland. Glock created a pistol designed to accommodate semiautomatic or automatic firing, knew that the semiautomatic version could be easily modified with an auto sear by civilians to fire fully automatically in violation of U.S. laws, promoted the fully automatic capabilities of the design, and continues to sell the pistol even as the illegal conversion of those pistols to fully automatic fire has become rampant and continues to severely and negatively impact public safety in Baltimore, elsewhere in Maryland, and across the United States.

8. By facilitating the proliferation of illegal machine guns in this way and failing to implement reasonable controls to combat the unlawful possession, alteration, and use of its semiautomatic pistols, Glock has knowingly harmed Marylanders, particularly in Baltimore and among the City's and State's youth.

9. Modified Glocks have caused terror throughout Baltimore and elsewhere in the State: they have been recovered in connection with carjackings, illegal drug sales, traffic violations, and violent crimes.

10. For example, on September 14, 2024, a man and woman were standing in Harbor East, a tourist destination in Baltimore, when multiple people emerged from a nearby vehicle and attempted to rob the man. He resisted, and the assailants shot him multiple times, killing him. The woman suffered a graze wound to the leg. A nearby occupied car was hit with multiple stray bullets. "It was definitely, definitely terrifying," said a witness, who was in the area and ran after

hearing what the witness described as automatic gunfire.² A 19-year-old was arrested, and a Modified Glock was recovered in connection with this homicide.

11. The increased danger and reduced public safety from Modified Glockes also directly affect law enforcement. For instance, on June 29, 2023, near Patterson Park, as a BPD officer approached a suspect wanted on a warrant, the suspect opened machine-gun fire with a Modified Glock affixed with a drum magazine, hitting the officer's vehicle. Additional officers arrived and exchanged further rounds of gunfire with the suspect, who wielded both the Modified Glock and an assault rifle during the shootout. The officers ultimately killed the suspect. A total of 33 casings from the suspect's weapons were found and an additional revolver, magazines, and ammunition were found in the suspect's backpack.

12. And in a shocking statistic reflecting the impact on Baltimore's teenagers, approximately half of the individuals arrested by BPD in connection with incidents involving Modified Glockes were under the age of 21. For example, on September 30, 2023, BPD officers recovered a Modified Glock affixed with an illegal large capacity magazine holding 21 live rounds of ammunition, within about one hundred yards of Walter P. Carter Elementary and Middle School. The possessor of the Modified Glock was 16 years old. And on October 5, 2024, officers recovered a Modified Glock from a 16-year-old after nurses found it on him while treating him at a hospital for injuries sustained in a motorcycle accident.

² @FOXBaltimore, *Baltimore Police Identify Victim in Late-Night Harbor East Shooting*, YOUTUBE (Sept. 16, 2024), <https://www.youtube.com/watch?v=IXGpNulONwI&t=3s>.

13. As one law-enforcement official explained, those with modified handguns “think it’s cool, they think it looks cools, sounds cool, they want to brag about having it. Makes them seem more deadly.”³

14. While Baltimore and other places in Maryland have long struggled with an epidemic of gun violence, it is unquestionable that the ease of modification of Glocks and the resulting prevalence of Modified Glocks have made the situation worse. Those armed with Modified Glocks are emboldened because of their military-grade firepower. In addition, they kill and injure more people, increasing the terror felt by ordinary residents, and imperil law enforcement.

15. By choosing to continue to sell and market its easily modified pistols to Maryland civilians and refusing to implement simple changes to its pistol design, Glock has violated state law by knowingly creating, maintaining, and contributing to harm to the public through its unreasonable conduct and by failing to establish and implement reasonable controls regarding the pistols it sells in Maryland. *See* MD. CODE, CTS. & JUD. PROC. § 3-2302.

16. Through this lawsuit, Plaintiffs seek an order enjoining Glock from continuing to sell its easily modifiable pistols to civilian residents of Maryland. Plaintiffs also seek relief in the form of restitution and abatement of the harm that Glock has knowingly and foreseeably caused to the public in Baltimore and Maryland.⁴

³ Jeremy Harris, *Illegal ‘Glock Switch’ Blamed for Increase of Rounds Being Fired in Western Washington Shootings*, KPIC (Oct. 7, 2023, 11:02 AM), <https://kpic.com/news/local/illegal-glock-switch-blamed-for-increase-bullets-rounds-fired-in-western-washington-shootings-ghost-guns-atf-machine-gun-gun-violence-crime-firearms-law-enforcement-police-seattle-spd-chief-adrian-diaz-investigations> [<https://perma.cc/7B4S-KPJ5>].

⁴ For the avoidance of doubt, Plaintiffs do not seek any relief based on or with the purpose of stopping the sales of Glock pistols to law enforcement. Unlike typical civilians, some law enforcement officers may legally carry fully automatic weapons under certain circumstances.

JURISDICTION AND VENUE

17. This Court has subject matter jurisdiction by grant of authority under the Constitution of the State of Maryland.

18. The Court has personal jurisdiction over Defendants under the long-arm statute of the State of Maryland, MD. CODE, CTS. & JUD. PROC. § 6-103, and the United States Constitution, because this cause of action arises from Defendants' business activities and tortious injury in Maryland, and Defendants have regularly transacted business in Maryland, have purposefully directed business activities to Maryland, and have engaged in unlawful practices and caused tortious injury in Maryland.

19. Venue is proper in this Court because Plaintiffs' claims arise in part in the City of Baltimore, Defendants transact business in Baltimore, and under MD. CODE, CTS. & JUD. PROC. § 6-202(3).

PARTIES

20. Plaintiff the Mayor and City Council of Baltimore is a municipal corporation organized and operating under the Baltimore City Charter and the laws of the State of Maryland. Baltimore is also known as "City of Baltimore" or "Baltimore City."

21. Plaintiff the State of Maryland brings this action by and through Attorney General Anthony G. Brown, who is the chief legal officer for the State. The Attorney General has general charge, supervision, and direction of the State's legal business, and acts as legal advisor and representative of all major agencies, boards, commissions, and official institutions of state government. The Attorney General's powers and duties include acting on behalf of the State and

See 18 U.S.C. § 922(o)(2)(A). This lawsuit is focused exclusively on Glock's sales to the civilian market in Maryland.

the people of Maryland in the State and federal courts on matters of public concern. Under the Constitution of Maryland, and as directed by the Governor, the Attorney General has the authority to file this suit for violations of State laws that threaten the public interest and welfare of Maryland residents. MD. CONST. art. V, § 3(a)(2).

22. Plaintiffs, by and through the Baltimore City Solicitor and the Attorney General of Maryland, are authorized to bring these claims under MD. CODE, CTS. & JUD. PRO. § 3-2503 (“Gun Industry Accountability Act” or “Act”).

23. Defendant Glock, Inc. is a firearm manufacturer, dealer, and importer located in Smyrna, Georgia. It is incorporated under the laws of the State of Georgia as a domestic for-profit corporation with its principal place of business at 6000 Highlands Parkway SE, Smyrna, Georgia, 30082. Since 1990, Glock, Inc. has been registered to do business in Maryland. Glock, Inc. is currently owned by two Austrian companies, each of which hold half of its stock: Glock Ges.m.b.H. and INC Holding GmbH. Glock, Inc. is the exclusive distributor of Glock pistols in the United States, including Maryland.

24. Defendant Glock Ges.m.b.H. is an Austrian limited liability company that designs, manufactures, assembles, markets, advertises, and distributes Glock pistols and the component parts used to make those pistols and exports them into the United States.

25. The connection between Glock, Inc. and Glock Ges.m.b.H. is extremely close, with overlapping corporate officers and Glock Ges.m.b.H. maintaining significant involvement in the production and marketing of Glock pistols in the United States. Together, Glock Ges.m.b.H. and Glock, Inc. oversee, create, and implement the design, manufacture, and assembly of Glock pistols sold in the United States, including Maryland.

26. Glock, Inc. and Glock Ges.m.b.H. are also directly and materially involved in the sale, distribution, and promotion of Glock pistols for civilians in every state, including those residing in Maryland. Glock Ges.m.b.H. markets Glock pistols in Maryland through Glock, Inc., its sole importer and distributor in the United States, and an expansive regional and local dealer network. These dealers are contractually obligated not only to sell and service Glock pistols in Maryland but also to advise Maryland customers regarding the operation, handling, features, and benefits of Glock pistols. Every Maryland customer receives an owner’s manual, published by Glock Ges.m.b.H., in which Glock Ges.m.b.H acknowledges: “GLOCK pistols are sold in all states.” Operating through Glock, Inc. and the U.S. dealer network, Glock Ges.m.b.H. knowingly markets through a distributor and established channels to provide regular advice to customers in Maryland, and thus places its handgun products into the stream of commerce, with the intention that those products reach Maryland civilians.

27. Glock Ges.m.b.H.’s facility in Deutsch-Wagram, Austria is the “center for the company’s multifaceted operations.”⁵ For many years, Glock Ges.m.b.H. manufactured all Glock handguns that were sold in the United States. In 2013, Glock, Inc. began to manufacture handguns in the United States using component parts supplied by Glock Ges.m.b.H. from Austria. Public reporting from recent years indicates that Glock Ges.m.b.H. continues to manufacture the majority of Glock handguns and handgun parts sold in the United States.⁶ Glock Ges.m.b.H. controls the design and production standards used in Glock, Inc.’s assembly facilities in the United States.

⁵ Glenn Adam Kendrick, *Glock International, a Global Symphony of Excellence*, GLOCK ANN. 85 (2024), <https://www.scribd.com/document/783913670/Glock-Annual-2024> [<https://perma.cc/V4UX-8VXV>].

⁶ Charlie Gao, *Made in America: Why Glock Manufacturing Is Set to Grow in the United States*, THE NAT’L INT. (Aug. 6, 2021), <https://nationalinterest.org/blog/reboot/made-america-why-glock-manufacturing-set-grow-united-states-191274> [<https://perma.cc/V3L5-ZYDE>].

According to Glock Ges.m.b.H.'s website, Glock, Inc.'s U.S. facility "follows [the] same production standards and procedures as the facilities in Austria."⁷ Glock's annual magazine even refers to Glock, Inc. as Glock's "U.S. Headquarters."⁸

FACTS

A. Glock Pistols are Easy and Inexpensive to Modify into Illegal Machine Guns with Auto Sear

28. Glock pistols are frequently recovered in connection with crime in Baltimore, elsewhere in Maryland, and nationwide. In 2023, Glock manufactured the firearms most frequently recovered in connection with crime in Baltimore.⁹ Nationwide, from 2022 to 2023, Glock manufactured the crime gun most frequently traced by ATF.¹⁰

29. The ease with which Glock pistols can be converted into machine guns makes them especially popular in the criminal market. Due to this attribute of Glock pistols and Glock's failure to correct the problem, longstanding federal and state prohibitions on possessing fully automatic machine guns can be easily circumvented.

30. Machine guns, or fully automatic weapons, have been heavily regulated at the federal level since the 1930s because of their frequent use in crime, their increasing use in deadly

⁷ *Glock - The Company*, GLOCK, <https://eu.glock.com/en/Explore-GLOCK/GLOCK-Company> [<https://perma.cc/T5G4-JST6>] (last visited Feb. 6, 2025).

⁸ Chris Eger, *A Misconception Became the Icon*, GLOCK ANN. 36-37 (2023), <https://us.glock.com/-/media/Global/US/old/US-Site/83-Downloadable-Materials/2023/2023-Glock-Annual.ashx>.

shootings and massacres,¹¹ and the “immense danger” their rapid-fire capability poses to the public.¹² Early machine guns made their first appearance during the Civil War and grew more powerful in the following decades.¹³ By the First World War, British troops facing machine gun fire “fell by the thousands in every attack.”¹⁴ But in the late 1920s and early 1930s, criminals began arming themselves with machine guns, and they moved from the battlefield to city streets. The first known use of a machine gun in an attack by a criminal gang was in 1925, in Chicago, and machine guns quickly became the must-have weapon for the likes of Al Capone, Bugs Moran, and Pretty Boy Floyd.¹⁵ A crime reporter during that time called machine guns, “[t]he greatest aid to bigger and better business the criminal has discovered in this generation . . . a diabolical machine of death . . . the highest-powered instrument of destruction that has yet been placed at the convenience of the criminal element”¹⁶

31. Following the dramatic uptick of gang-related machine-gun violence of the 1920s and early 1930s, Maryland was one of many states that passed legislation strictly regulating possession and use of machine guns. *See* MD. CODE, CRIM. LAW §§ 4-404, 4-405. Maryland law defines “machine gun” as “a loaded or unloaded weapon that is capable of automatically discharging more than one shot or bullet from a magazine by a single function of the firing device.” *Id.* § 4-401(c).

¹¹ *National Firearms Act*, BUREAU OF ALCOHOL, TOBACCO, FIREARMS & EXPLOSIVES (last reviewed Apr. 7, 2020), <https://www.atf.gov/rules-and-regulations/national-firearms-act> [<https://perma.cc/XT95-NVB7>].

¹² *See United States v. O’Brien*, 560 U.S. 218, 230 (2010).

¹³ *See generally* JOHN ELLIS, *THE SOCIAL HISTORY OF THE MACHINE GUN* 21-45 (1986).

¹⁴ *Id.* at 141.

¹⁵ *See id.* at 152-54, 157-58.

¹⁶ *Id.* at 152.

32. Congress quickly followed suit, regulating machine guns in 1934. Federal law mandates that machine guns and certain other weapons may be made, sold, and possessed only subject to strict regulation and registration requirements. It bans the sale of machine guns to members of the public and to any person except those specifically authorized by the Attorney General of the United States, and it also prohibits the transfer and possession of them, except in limited circumstances. 18 U.S.C. § 922(b)(4), (o).

33. Given the onerous restrictions on the sale and ownership of machine guns, fully automatic weapons are difficult to acquire. Semiautomatic weapons—like most Glock pistols—are not. Those seeking the power and lethality of a fully automatic weapon have increasingly looked to readily available, easily modifiable semiautomatic weapons to get the firepower and destructive force that they desire. In recent years, auto sears have made this search significantly easier.

34. Auto sears are add-ons used to convert semiautomatic guns into fully automatic weapons. “Auto sear” is short for “automatic sear,” so named because the small device overtakes the sear of a firearm, which is the part of the trigger mechanism that holds the striker back. Once the sear is overtaken, the striker can continue firing with just one trigger pull. In other words, a gun with an auto sear installed fires fully automatically because the modified gun will continue firing as long as the trigger is pulled and there is ammunition in the magazine.

35. Decades ago, the ATF determined that auto sears themselves are “machineguns” as defined under federal law.¹⁷

¹⁷ See *ATF Ruling 81-4*, BUREAU OF ALCOHOL, TOBACCO, FIREARMS & EXPLOSIVES, <https://www.atf.gov/resource-center/docs/atf-ruling-81-4pdf/download> [<https://perma.cc/8S3E-WAP8>] (determining that an auto sear qualifies as a “combination of parts designed and intended for use in converting a weapon into a machinegun” under 26 U.S.C. § 5845(b)) (last visited Feb. 7, 2025).

36. At the state level, Maryland specifically prohibits the possession, sale, or transfer of switches or auto-sears. MD. CODE, CRIM. LAW §§ 4-301(m)-(n), 4-305.1.

37. Auto sears are cheap and easy to acquire. They can be purchased for as little as \$20.¹⁸ Many auto sears are made in China and falsely marketed online as household or recreational products. Once imported illegally to the United States, they are sold within the criminal gun market. These overseas auto sear manufacturers often quickly dissolve to avoid investigation or legal action, with new ones emerging to replace them.¹⁹ Most auto sears that originate in the United States are produced using 3D printers and are often created using downloadable blueprints that are readily available. In light of these commonly used methods for obtaining auto sears, they are difficult to intercept and eradicate.²⁰

38. Glock-style auto sears, which look like “very small Lego piece[s],”²¹ can be attached to the back of pistols, as seen in the image of a Modified Glock below.

¹⁸ Julia Rothman & Shaina Feinberg, *This \$20 Device Turns a Handgun Into an Automatic Weapon*, N.Y. TIMES (July 1, 2022), <https://www.nytimes.com/2022/07/01/business/auto-sear-handgun-automatic.html>.

¹⁹ Frank Main, Tom Schuba, Matt Kiefer & Cheryl W. Thompson, *In Chicago, Handguns Turned Into High-Capacity Machine Guns Fuel Deadly Violence*, NPR (Oct. 28, 2022), <https://www.npr.org/2022/10/28/1131026241/chicago-handgun-violence-auto-sear-machine-gun> [<https://perma.cc/2DVS-LQWT>].

²⁰ Lee O. Sanderlin, *Baltimore has a machine gun problem*, BALTIMORE BANNER (Mar. 18, 2024 5:30 AM), <https://www.thebaltimorebanner.com/community/criminal-justice/baltimore-glock-switch-machine-gun-atf-MGDVWUJDEVDGHAGKZFPLMXB3CI/> [<https://perma.cc/BA5D-SY9G>].

²¹ Rothman & Feinberg, *supra* note 18.

39. These auto sears are roughly the size of a dime.²²

40. The auto sear has a small protrusion called a “disconnecter” that, once installed, pushes a Glock pistol’s internal trigger bar down, allowing the striker to continue firing as the slide reciprocates with recoil. The ability to fire continuously, without the shooter having to pull and release the trigger repeatedly, allows for a much faster rate of fire.

²² Bureau of Alcohol, Tobacco, Firearms and Explosives, ATF Firearms & Ammunition Technology Division Technical Bulletin 17-04 (2017), *United States v. Freitas*, No. 20-cr-223 (N.D. Cal. May 29, 2020), ECF No. 42, Ex. 5.

41. Most Glock-style auto sears come with round “selectors” that allow the user to toggle between semiautomatic and fully automatic modes. Other versions convert Glock pistols to fire only fully automatically when installed.

42. It is well known that Glock pistols are particularly easy to modify for fully automatic firing with auto sears. This is in sharp contrast to most other pistols, which do not accept auto sears as easily, such as those produced by Smith & Wesson or Sig Sauer, and instead require time-consuming and difficult engineering beyond the capabilities of most civilians to be modified into automatic weapons.

43. For Glock’s Generation 1 through 4 pistols (“Gen1” through “Gen4”), which have been produced since Glock’s entry into the U.S. market in or around late 1985 or early 1986, installing an auto sear involves using a common household tool to merely slide out the rear removable plastic backplate of the gun’s slide and placing the auto sear into the backplate’s position. The process typically takes less than five minutes with instructions readily available

online.²³ Glock continues to sell Gen3 and Gen4 pistols to civilian consumers in the United States, including civilian consumers in Maryland.²⁴

44. Glock’s Generation 5 (“Gen5”) line of pistols, which entered the market in 2017, requires minor filing or clipping of a small *plastic* notch before an auto sear may be affixed. Like the other models, the conversion of a Glock Gen5 pistol can be done in a matter of minutes with minimal modification to the firearm. Videos available online explain the simple process. For example, one online video with over 720,000 views provides step-by-step instructions on how to modify a Gen5 pistol in mere minutes while noting that they “only had to take that little notch off,” which “wasn’t that big of a deal.”²⁵ Glock sells Gen5 pistols to civilian consumers in the United States, including civilian consumers who reside in Maryland. Glock knew that its addition of a small plastic piece on the back of the gun was neither a reasonable nor bona fide solution to the

²³ See, e.g., @Letreactcom, *How to Install Glock Full Auto Switch*, FACEBOOK (June 21, 2022, 1:29 AM), <https://www.facebook.com/100063815394590/videos/how-to-install-glock-full-auto-switch/1185300678678624>; @Knifehomes, *How to Install Glock Full Auto Switch*, FACEBOOK (Apr. 17, 2021, 3:12 AM), <https://www.facebook.com/kniveshomes/videos/how-to-install-glock-full-auto-switch/227916132441449>.

²⁴ Glock’s website allows users to view all of Glock’s pistols available for purchase. See *GLOCK Pistols*, GLOCK, <https://us.glock.com/en/Pistols> [<https://perma.cc/R74M-PY4C>] (last visited Feb. 5, 2025). The website allows users to filter the pistols available for purchase, including the ability to select “Gen3” and “Gen4” models. *Id.* (click “Add/Edit Filters”; then under “All features”; select “Gen3” and “Gen4”; then click “DONE”). After applying the Gen3 and Gen4 filters, a user can see all of the Gen3 and Gen4 pistols that Glock sells and which of those pistols are only available for purchase by law enforcement. Glock offers multiple Gen3 and Gen4 models for civilians, including four different 9x19mm pistols: the G17, G19, G26, and G34. See *id.*; see also *G17*, GLOCK, <https://us.glock.com/en/pistols/g17> [<https://perma.cc/U7PF-94RS>] (last visited Feb. 5, 2025); *G19*, GLOCK, <https://us.glock.com/en/pistols/g19> [<https://perma.cc/6NLT-9J6B>] (last visited Feb. 5, 2025); *G26*, GLOCK, <https://us.glock.com/en/pistols/g26> [<https://perma.cc/5J6K-YUYY>] (last visited Feb. 5, 2025); *G34*, GLOCK, <https://us.glock.com/en/pistols/g34> [<https://perma.cc/D5XB-UP7C>] (last visited Feb. 5, 2025).

²⁸ See, e.g., *supra* notes 23, 25.

47. A Modified Glock pistol can reportedly fire up to 1,200 rounds per minute—a faster rate of fire than the standard M4 machine gun used by the United States military.²⁹ In a recent federal complaint filed against an accused auto sear trafficker, the defendant bragged that his auto sears were compatible with a Gen5 Glock and could make it fire “30 rounds in two seconds.”³⁰

48. Glock pistols affixed with a switch are also more difficult to control—resulting in a greater risk of bodily harm or death to bystanders. An untrained shooter using an unmodified semiautomatic Glock may already have a difficult time maintaining the gun’s recoil to stay on target while firing. That problem is exponentially greater when firing a Modified Glock. It is much more difficult for shooters to manage a Modified Glock’s recoil and maintain their target when firing so many rounds in rapid succession, resulting in more lethal shootings, grievous wounds for survivors, and greatly enhanced risks for bystanders and law enforcement.

49. “They tend to spray and pray,” as one ATF Special Agent characterized a person firing a handgun modified with a switch.³¹ “Those rounds can go anywhere.”³²

B. Glock Has Known for Decades that Its Easily Modifiable Pistols Pose a Unique Danger

50. Glock has known for decades that its semiautomatic pistols can be easily modified to fire fully automatically. In fact, it designed its pistol to accommodate semiautomatic or

²⁹ Press Release, U.S. Att’y’s Off., N. Dist. of Texas, Fort Worth Manufacturer Charged in Glock Switch Case (Nov. 18, 2022), <https://www.justice.gov/usao-ndtx/pr/fort-worth-manufacturer-charged-glock-switch-case> [<https://perma.cc/B35Z-4AXG>].

³⁰ Aff. ¶ 7, *United States v. Hendrie*, No. 23-MJ-4115 (W.D.N.Y. July 20, 2023), ECF No. 1.

³² *Id.*

automatic fire capabilities, leaving its semiautomatic pistol exceedingly susceptible to modification.

51. Most Glock pistols share the same basic design, whether they are semiautomatic pistols or fully automatic pistols. Even to the plain eye, the designs of the G17 (Glock’s semi-automatic pistol) and the G18 (the automatic pistol) are strikingly similar.

52. Glock has been marketing its G17 semiautomatic pistols to U.S. civilians since the mid-1980s.

53. Glock also manufactures, markets, and sells the G18 fully automatic version of its pistol to authorized European customers, which is a limited group of purchasers.

54. Glock markets the G18 as having “the same characteristics like other previous models and the frame size of the service pistol classic G17.”³³ On information and belief, Glock did not apply for a separate patent for the fully automatic G18 because it fell within the original design of the patented Glock 17.³⁴ The G18 contains two internal alterations that function like

³³ *G18*, GLOCK, <https://eu.glock.com/en/products/pistols/g18> [<https://perma.cc/X8H5-WBWX>] (last visited Feb. 7, 2025).

³⁴ See U.S. Patent No. 4,539,889 (filed Apr. 29, 1982).

attachable auto sears do on a semiautomatic Glock; indeed, the patent for the Glock-specific auto sear describes its operation in near-identical terms to those used by Glock to describe the G18.³⁵

55. As early as the late 1980s, Gaston Glock, the founder of Glock Ges.m.b.H., met with the inventor of the “Fire Selector System,” a type of auto sear designed and patented especially for use with Glock pistols.³⁶ At that meeting, Gaston Glock test-fired a semiautomatic Glock pistol equipped with an auto sear, which he had affixed to the pistol after removing its back plate. Gaston Glock thus knew that Glock pistols could be easily converted to automatic weapons, and it was obvious that this posed a danger.³⁷ Indeed, by this time, Glock had already created the G18.

56. Like with Modified Glocks, it is difficult to control the G18 in full-auto mode. “Skill and training are crucial for maintaining accuracy” when shooting the G18.³⁸

57. As Gaston Glock knew and expected, it was not long before civilians began illegally modifying semiautomatic Glocks to automatic machine guns. And Glock has long been on notice of this alarming trend. For example, more than 20 years ago, an ATF investigation resulted in dozens of arrests and the seizure of seven converted Glock pistols and nine Glock switches.³⁹ More recently, on April 11, 2022, 41 members of Congress published a letter

³⁵ Compare U.S. Patent No. 5,705,763 (filed July 18, 1996), with *G18*, GLOCK, <https://eu.glock.com/en/products/pistols/g18> [<https://perma.cc/X8H5-WBWX>] (last visited Feb. 7, 2025) (describing “fire selector” “switch” to “full-automatic firing mode”).

highlighting the increased use of auto sears in shootings nationwide, specifically identifying only Glock-made pistols by name.⁴⁰ And federal officials have contacted Glock directly searching for ways to address the problem.⁴¹

58. Actions by Glock customers also alerted Glock to the reality that its semiautomatic pistols were being easily modified. For example, customers would mail their illegal Glock switches to Glock’s Smyrna headquarters requesting repairs.⁴² Rather than issuing clarifying warnings to the public or changing the design of their pistols, Glock continued to sell its easily modifiable pistols to civilians, including Marylanders.

59. Even further, Glock clearly had notice about the proliferation of Modified Glocks and their danger based on countless high-profile prosecutions, news articles, and public events.

For example:

- a) The 2019 murder of four family members who had gathered to watch football in a backyard in Fresno, California.⁴³

one of the top search results a link to Glock’s EU website, which markets the “[f]ully automatic 9mm firepower” G18.⁵⁵ U.S. consumers searching for how to get a fully automatic Glock will be directed to Glock’s EU website, where Glock touts its capacity to fire “20 rounds per second” (or 1,200 rounds per minute) and explains that it is the original Glock pistol with a simple modification of a “fire selector” “switch.”⁵⁶ In marketing the fully automatic capabilities of the G18, Glock fails to disclose that fully automatic Glock pistols are highly dangerous and illegal for civilians in the United States, and that semiautomatic Glocks should never be modified to be fully automatic, like their advertised product—the G18.

61. Customers associate Glock switches with the Glock brand so closely that they tag Glock’s social media accounts in posts about Glock switches, which Glock then displays on its own Facebook page—furthering and facilitating the association between Glock pistols and switches.⁵⁷ In addition, in response to Glock’s posts on in its Facebook page, customers have commented about fully automatic fire capabilities—again furthering the association.

62. The following is a sampling of Glock switch-related content that can currently be found on Glock’s Facebook page:

- a) A 2015 post by Glock asked users “What do you like most about the design of your GLOCK?” One user commented with an emoji, “you can make with the cool accesories [sic] full auto the Glock pistol.”
- b) A 2015 video of a man shooting a Modified Glock with large capacity magazines features a man boasting that he can shoot “twelve hundred rounds a minute,” with

⁵⁵ *G18*, GLOCK, <https://eu.glock.com/en/products/pistols/g18> [<https://perma.cc/X8H5-WBWX>] (last visited Feb. 6, 2025) (emphasis in original).

⁵⁶ *Id.*

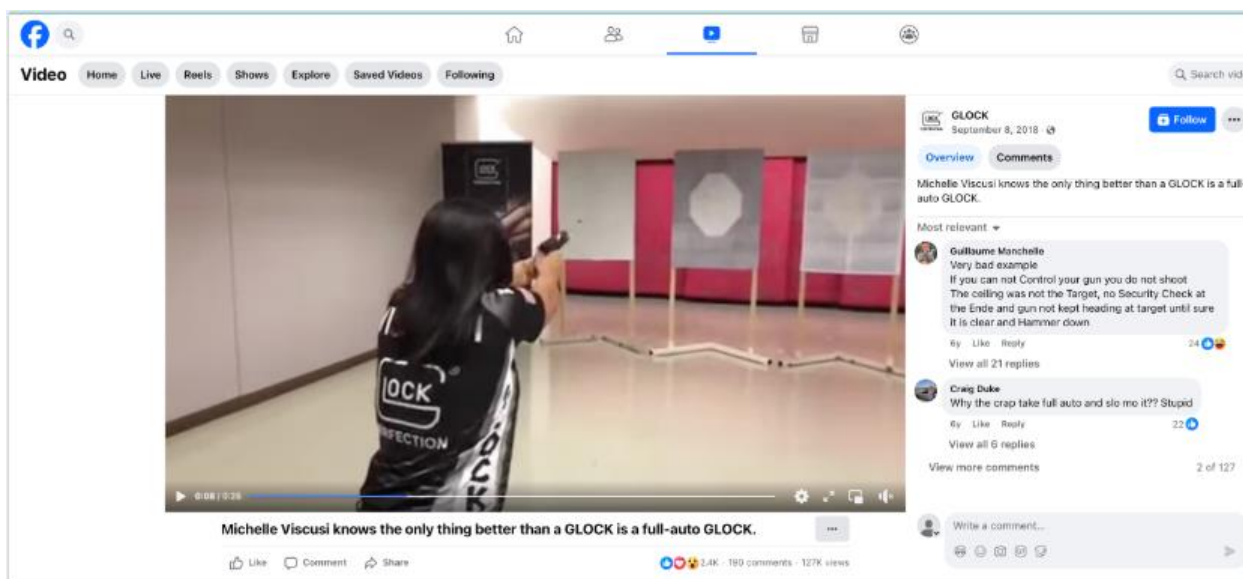

⁵⁷ When third parties post content and tag Glock, that content is displayed in Glock’s social media account because Glock has set its Facebook page to display third-party content in which Glock is tagged.

the caption, “MUST WATCH! – Check out this guy burning through some ammo with a full-auto GLOCK!” This video has around 12,000 views.

- c) A 2016 post by Glock “[c]alling all GLOCK Enthusiasts and Photographers” to “submit your own GLOCK photo using #MyGLOCK for a chance to be featured in our official 2017 Calendar.” One user submitted a photo of what appeared to be Modified Glock with a collapsible shoulder stock and the caption “#MYGLOCK My fathers [sic] full auto Glock 19.”
- d) A 2020 post by Glock of someone gripping a Glock pistol with a target in its sights, with the caption “The view that beats all others” and an emoji. One user commented, “I don’t know, I don’t see a ‘fun switch’ on the back of it, and no night sights so . . . There’s definitely better views. Just saying.”
- e) A 2021 post with emojis that reads, “I want a switch so bad and a 100 round clip” and shares a July 2017 video of a person shooting a Modified Glock with the caption, in Spanish, “[d]isparando una Glock 17 en modo FULL AUTO con balas explosivas . . . simplemente impresionante!” In English, the caption reads, “shooting a Glock 17 in FULL AUTO mode with explosive bullets . . . simply awesome!”

63. Rather than hiding or deleting comments about illegal modifications from its page or removing the “tag,” which connects Glock’s account to this content, Glock continues to allow Modified Glocks to be promoted on its social media.

64. In addition to maintaining posts and comments about illegal Modified Glocks on its social media pages that continue to be available to this day, and despite the inherent dangerousness of fully automatic firing by civilians, Glock also maintains social medial posts promoting the fully automatic capability of its G18 pistol to this day. For example, Glock promoted the use of the G18 in full-auto mode as “more fun” and “better” than semi-automatic firing on its Instagram and Facebook pages.

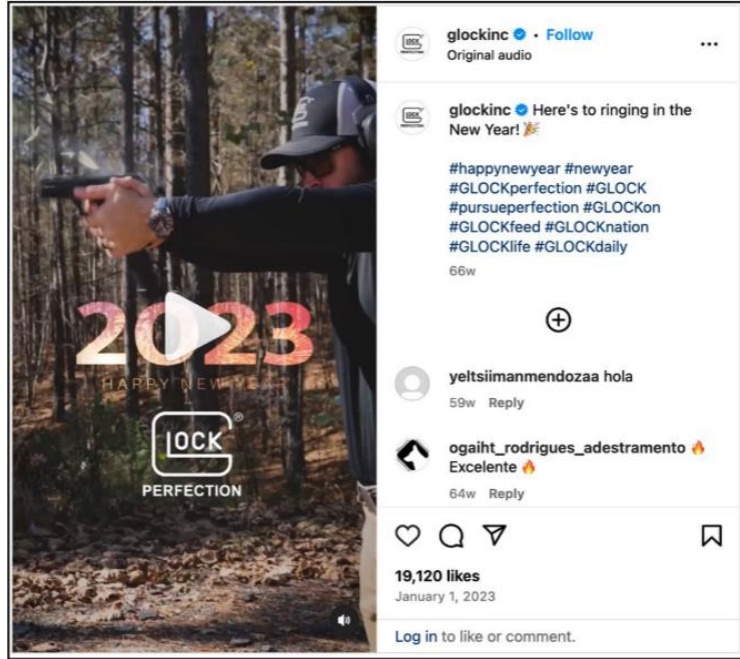

65. In another post, Glock advertised the G18 and a variant, the Glock 18C, and encouraged customers to “Double your pleasure. Double your fun,” while using the hashtag “#fullauto.” Glock did so without any disclaimer that these fully automatic handguns are not available to civilians in the United States, despite commenters indicating on the post “I’m looking for a glock18c” and “É essa que quero,” which means, “That’s the one I want” in Portuguese.

66. In the 2015 Facebook post mentioned above, Glock asked users ‘What do you like most about the design of your GLOCK?’ One user commented “I love glock 18c rate of fire and just everything,” despite the fact that this model is not available to the general public.

67. One user commented on a 2022 Glock Facebook post promoting Glock’s presence at the upcoming Shot Show saying, “Send me a Glock 18 please and thank you.” Another user commented “I got mine here” and included a Facebook link, and a third user commented, “inbox me if interested in that Glock 18 bro.”

68. In yet another Instagram post, celebrating the 2023 New Year, Glock posted a video of someone firing Glock handguns both semiautomatically and fully automatically. The post contains no disclaimers that American civilians cannot typically purchase a fully automatic Glock handgun.

69. At its Smyrna headquarters, Glock offers opportunities for some members of the public to learn how to fire a G18 at its range. In a YouTube video discussing one such course, a Glock Rangemaster points to the fully automatic toggle on the G18 and says, “Here’s the, what we call the ‘fun switch,’ that’s one of the names for it.”⁵⁸

C. Glock Still Has Not Fixed the Problem

70. Despite its knowledge of the proliferation of Modified Glockes, Glock has made the unconscionable business decision to not take meaningful or effective action to prevent, discourage, or limit the illegal modification of its pistols. To the contrary, Glock has promoted fully automatic fire in the pursuit of profits.

⁵⁸ TFB TV, *The Full Auto Glock 18C Machine Pistol*, YOUTUBE (Aug. 17, 2017), <https://www.youtube.com/watch?v=cc4ZTIsusTQ&rc=1>.

71. Glock has been contacted by news outlets regarding whether the company plans to take action to prevent the easy convertibility of its guns to fully automatic fire.⁵⁹ Glock has either remained silent in response or sought to cast blame elsewhere. In recent years, Glock even claimed that “the design of the pistol cannot be altered” to make it harder to modify to a machine gun.⁶⁰

72. This, however, is false. The design of Glock pistols *can* be changed in multiple ways, including internal as well as external changes, to make it much more difficult for them to be modified into illegal fully automatic machine guns.

73. Such changes can be made without impairing the guns’ safety or functionality or making them too expensive. For example, a former Glock armorer suggested that an easy fix would involve securing the backplate to the rear of the slide so that it could not be easily removed and replaced with an auto sear.⁶¹ Alternatively, the current configuration of the Glock could be altered so that a user could not so easily access the sear and trigger bar, or so that any modification would defeat the trigger mechanisms and therefore stop the gun from firing.

74. Unlike Glocks, most other striker-fired pistols (such as those made by Smith & Wesson, Sig Sauer, Springfield Armory, or Walther Arms), which are sold in Maryland, contain separate “trigger bars” and “sears”—two key components—and those components are separated from the back of the pistol by a “rear rail.” This “rear rail” blocks the exact location where the “disconnecter” of an auto sear would otherwise go.

⁵⁹ See, e.g., Matt Caron, *Glock Switches Turning Up More and More at Local Shooting Crime Scenes*, FOX61 (Nov 7, 2022), <https://www.fox61.com/article/news/crime/glock-switches-connecticut-police-increase/520-8ce4912a-da29-4d61-9260-1f51bf8aa4b8> [<https://perma.cc/287C-EUS8>]; Stephens & Hamilton, *supra* note 1.

⁶⁰ Londoño & Thrush, *supra* note 41.

⁶¹ Champe Barton, *Glock Could Make It Harder to Outfit Its Pistols with Switches – For a Price*, THE TRACE (Sep. 4, 2024), <https://www.thetrace.org/2024/09/glock-switch-lawsuits-pistol-design/> [<https://perma.cc/J3YS-W7GD>].

On the left, a Springfield XD; on the right, a Sig Sauer P320

75. However, in a Glock pistol, the trigger bar and the sear are combined as one piece, creating a relatively large surface area for an auto sear’s disconnecter to target. In addition, nothing shields the large cross-shaped portion of the trigger bar from the back of the pistol, making it possible for an auto sear’s disconnecter to slide between the sear and another component, the connector, to contact the trigger bar and push it downward so that the Glock can continue firing with only one pull of the trigger.

Images showing the back end of a Glock pistol with and without an auto sear disconnecter

76. Glock has already designed a pistol that is not easily susceptible to the use of switches: its model G46 semi-automatic pistol. The G46 features a striker that is affixed to the backplate. As a result, the backplate cannot be replaced with an auto sear as easily. Glock has made the decision to sell the G46 only to limited law-enforcement units in Europe, however, and does not market or sell this model to the U.S. civilian market.

77. Glock’s unreasonable practices of selling and marketing pistols that can be easily modified to illegal machine guns contribute to the harm to the public in Baltimore and in other areas of Maryland. By refusing to take reasonable steps to reduce the unique susceptibility of its pistols to easy and illegal conversion, in order to sell more guns, Glock is profiting by making the City and the State less safe.

D. Modified Glocks Have Become Increasingly Prevalent and Popular, Especially Among Youth in Baltimore, With Devastating Consequences in Maryland

78. The ease with which Glocks can be modified has had a detrimental impact on public health and safety in Baltimore and elsewhere in Maryland.

79. In Baltimore, the problem of Modified Glocks is worsening. In 2023, BPD recovered approximately 35 Modified Glocks. And in 2024, BPD recovered at least 65.

80. The increasing rate of recovery of Modified Glocks by BPD—as reflected in the chart included below—demonstrates that they are growing in popularity and use in Baltimore:

81. Because the statistics reported above reflect only BPD recoveries of Glocks affixed with auto seals for a two-year period, they significantly undercount the number of such Glocks

that are currently in circulation in Baltimore. Many Modified Glocks believed to have been used in crimes have not been recovered.

82. The use and possession of Modified Glocks terrorize the public. For example, the vast majority of incidents with Modified Glocks in Baltimore take place in public areas, including near churches, schools, universities, strip malls, restaurants, bars, child-care centers, libraries, parks, recreation centers, playgrounds, basketball courts, sidewalks, highways, and gas stations.

83. A chilling aspect of this surge in handguns-turned-machine-guns is its relationship to minors. In Maryland, only those 21 years of age and older can lawfully possess a handgun. MD. CODE, PUB. SAFETY §§ 5-101(r)(1), 5-133(d), 5-134(b)(1). Despite this restriction, about half of those individuals arrested by BPD in connection with incidents involving Modified Glocks since the beginning of 2023 were under the age of 21—including one 13-year-old, who BPD arrested after finding a Modified Glock and drum magazine on his bed while executing a search warrant.

84. For example, on September 2, 2024, police pursued a car that ran a stop sign then took off. The officers suspected that the vehicle was stolen due to a broken rear window, and dispatch confirmed that the vehicle tag was flagged as stolen. At one point, the car sped along on the wrong side of the road. Two 17-year-old boys then got out of the car and fled on foot while holding their waistbands. In a subsequent struggle between an officer and one of the suspects, both fell to the ground, and the suspect dropped his handgun and continued to try to reach for it over the officer's objections. The boy was later apprehended, and police recovered a Modified Glock with an illegal large capacity magazine. And, on August 21, 2024, in the Cherry Hill Public Housing Complex, officers spotted a 17-year-old boy riding a moped at a high speed that had no stickers or plates. Police later confirmed that the moped had been stolen. While attempting to evade the police, the boy crashed the moped and fled on foot. While in pursuit, officers noticed a

heavy object in his jacket pocket. Police apprehended the boy and recovered a Modified Glock with an illegal large capacity magazine.

85. According to law enforcement, the increase in youth possession and use of Modified Glock is attributable, in part, to fully automatic pistols being seen by teenagers as “status symbol[s] that provide[] a competitive advantage.”⁶²

86. Modified Glock is so ubiquitous that they are commonly referenced in popular media. For example:

- a) The phrase “Glock Full Auto Switch” has been among the most frequent firearm-related internet search terms in the United States in recent years.⁶³
- b) There is a Wikipedia page devoted to the term “Glock Switch.”⁶⁴
- c) The 2022 song “Jimmy Cooks” by Drake featuring 21 Savage—which debuted at #1 on the U.S. Billboard Hot 100⁶⁵ and has been streamed more than one billion times on Spotify⁶⁶—includes the lyric: “This Glock .45 came with a switch.”⁶⁷

⁶² Londoño & Thrush, *supra* note 41.

- d) Glock switches and Modified Glocks even appear in popular video games like Roblox.⁶⁸ Roblox has a significant number of under 13-year-old users. In 2023, Roblox averaged 68.4 million daily active users, 81% were under 25 years old and 42% were under 13 years old.⁶⁹

87. The increased prevalence and popularity of Modified Glocks is not surprising. As has been studied, gun violence is a contagious social phenomenon apparent among youth.⁷⁰ Certain “rules” develop within communities that “govern how disputes are settled, when and where firearms are used, and the significance of firearms within a broad adolescent culture.”⁷¹ Guns and gun violence can play a role in developing one’s social identity.⁷² “Projecting the ‘right image’ may have consequences for personal safety, social acceptance, and self-esteem among individuals.”⁷³

88. As Modified Glocks have become more prominent, the “rules” of gun use have shifted. Modified Glocks as a “status symbol” and “competitive advantage” have raised the stakes of gun-related violence in Baltimore and Maryland.

⁷² *Id.* at 148-49.

⁷³ *Id.* at 149.

89. Glock’s marketing, which portrays automatic fire as “fun,”⁷⁴ a way to celebrate a special occasion,⁷⁵ and even used the hashtag “GlockPorn” or “gunporn” to promote its G18 fully automatic pistol (see below), reinforces the “status” associated with illegal Modified Glocks.

90. Glock switches have significantly changed the terrain of gun violence, increasing its lethality. As one seller said, “if you don’t have one, you butt naked.”⁷⁶ As an ATF Special Agent put it, “Do you want to bring a semi-automatic pistol to a machine gun fight? . . . It’s like taking a knife to a gunfight.”⁷⁷

⁷⁴ See *supra* ¶¶ 64-69.

⁷⁵ See *supra* ¶ 68.

⁷⁶ @ViceNews, *This Is the World’s Smallest Machine Gun, and It’s Suddenly Everywhere*, YOUTUBE (Mar. 24, 2022), https://www.youtube.com/watch?v=UHK2_SGRFQU&rc=1.

⁷⁷ Sanderlin, *supra* note 20.

91. According to members of the Baltimore Mayor’s Office of Neighborhood Safety and Engagement, the increase in Baltimore youths with Glock switches and Modified Glocks is tied to the proliferation of switches in Baltimorean culture and increasingly violent social networks. With respect to the former, youth are influenced by local rappers and influencers showing off their switches on social media, motivated by the social capital associated with switches, and driven to possess switches for their ability to increase lethality without requiring adept accuracy.

92. As mentioned, local Baltimore rappers reference switches and Modified Glocks in their lyrics. For example:

- a) In 2021, Baltimore rapper LBG Muk put out a song with the repeated line “100s & 50s Glocks & Switches, surrounded by violence in my city” with over 55,000 views on YouTube.⁷⁸
- b) Baltimore rapper OGJohnGotti, featuring Baltimore rapper Young Moose, put out the 2024 song “No Luv In The Jungle,” with over 260,000 views on YouTube, featuring the lyric: “Button on my Glock, went from a standard to an automatic.”⁷⁹
- c) Young Moose is featured on the 2024 song “Switches and Brooms,” in which he raps “Lil’ bro said he need a button, I told him hold this.” “Button” is another term for a “switch.” The cover art for the single, below, depicts a Modified Glock.⁸⁰

93. Modified Glocks harm communities in Baltimore and elsewhere in Maryland, and youth feel the adverse impacts acutely. Glock has profited from and worsened these cycles of violence, fueling enthusiasm for Modified Glocks through its marketing, continuing to sell easily modifiable semiautomatic pistols to Marylanders, and taking no meaningful steps to address the widespread problem.

94. Just a sampling of the incidents of Modified Glocks being used in Baltimore and elsewhere in Maryland illustrates the enormity of the problem.

95. Modified Glocks have been recovered in connection with violent crimes in and around Baltimore. For example:

- a) On December 4, 2023, a 21-year-old man was approached by three men in ski masks with handguns. According to the victim, the masked men forced him into his own car, hit him across his head with handguns, and zip-tied him. After driving him around, they switched cars and were found by police in Rosemont. A Modified Glock with an illegal large capacity magazine was recovered in connection with this incident.
- b) On January 5, 2024, a 20-year-old man was shot in an alley by a 17-year-old. According to the victim, the 17-year-old had approached him and asked for money,

which led to a physical altercation and resulted in the 20-year-old being shot in the chest. A Modified Glock was recovered in connection with this incident.

- c) On March 20, 2024, two shootings occurred within a short period of time on the same block in the Mondawmin neighborhood. The first victim, a 21-year-old, was shot in his right thigh as a result of multiple bullets being fired after he tried to wrest a gun from a person attending a house party. The other victim, a 25-year-old, was walking with his girlfriend on the same block, when a man tried to rob him with a firearm. They struggled and the gun fired. The victim described the gun as having an illegal large capacity magazine and shooting rapid-fire as though it was fully automatic. That victim sustained five gunshot wounds. Officers recovered a Modified Glock, two projectiles, an illegal large capacity magazine, seven shell casings, and another modified weapon in connection with these events.
 - d) On March 28, 2024, a shooting took place within blocks of a Baltimore YMCA. A 42-year-old victim was backing into a parking spot, planning to stop at a store on her way into work, when she heard gunshots. She was shot and her car sustained eighteen bullet holes from the gunfire. Two other cars were also shot. At least 41 spent shell casings were recovered. An officer that was nearby at the time of the shooting saw a car speeding away from the area, going the wrong way on a street. That car, later confirmed stolen, stopped in Howard County and the four suspects in the car fled on foot but were eventually apprehended. In connection with this incident, police recovered a Modified Glock, along with two other firearms.
 - e) On August 20, 2024, a 19-year-old reported that she and her boyfriend, an 18-year-old, had been arguing. She stated that he punched her, grabbed her by the hair, told her to delete the videos of the incident or he would kill her, and choked her until she lost consciousness. He repeatedly struck her, saying “I’ll kill you” and “I’ll shoot you bitch.” According to the victim, the 18-year-old had a black handgun in his waistband during the incident. Police arrested the 18-year-old and recovered a Modified Glock in the house.
 - f) On October 2, 2024, police found a 20-year-old man suffering from a gunshot wound to the head in Shipley Hill. Officers recovered a Modified Glock with an illegal large capacity magazine on his person and four shell casings in the area. The man died after being transported to a medical facility.
96. Modified Glocks have been recovered in connection with carjackings in Baltimore.

For example:

- a) On November 4, 2023, a woman was driving with her nephew in downtown Baltimore when they were approached by men in masks with handguns who ordered them out of the car, got in, and drove away. Soon after, police were able to locate three suspects in another car that was reported stolen from Prince George’s County. Two Modified Glocks were recovered in connection with this carjacking—

one of which was in the possession of an individual who was prohibited from possessing a firearm.

- b) On March 27, 2024, in West Baltimore, a 16-year-old in a car stolen in an armed robbery earlier that day failed to obey a stop sign in front of officers. When officers tried to stop the car, the 16-year-old exited the vehicle and fled, but he was ultimately apprehended. Officers recovered a Modified Glock with an illegal large capacity magazine by the driver's seat in the car.
97. Modified Glocks have been recovered in connection with dangerous incidents on public streets and roadways in and around Baltimore. For example:

- a) On November 14, 2023, officers observed and pursued a vehicle making reckless maneuvers, traveling through Baltimore City, Anne Arundel County, Howard County, and Baltimore County. At one point during the pursuit, the passenger door opened and a Modified Glock with an illegal large capacity magazine was tossed out. After exiting the Harbor Tunnel, the driver abandoned the car and was arrested after he tried to enter a truck that had been stopped in the tunnel. The driver was found to be prohibited from possessing firearms. Three others, including a 6-year-old, were in the vehicle the driver abandoned.
- b) On June 10, 2024, a car sped away from a block where several rounds of gunshots were detected. When officers stopped the car, they observed a magazine of a handgun sticking out from the driver's seat. It was a Modified Glock and the driver was arrested.
- c) On July 15, 2024, a 20-year-old driver in a stolen car refused to stop when officers attempted to pull him over, instead purposefully accelerating and ramming into the police car in an attempt to flee. The driver and the 24-year-old passenger then fled on foot but were apprehended. Two guns, including a Modified Glock, were recovered in connection with this incident. The occupants were prohibited possessors of firearms. At the time of the arrest, there were active warrants for the driver for second-degree assault and carjacking with a handgun on person, and he admitted to committing three armed carjackings and a robbery earlier that same day.
- d) On August 26, 2024, a 26-year-old man and a 22-year-old woman were sitting in a parked car that had been stolen from a dealership. When officers approached, the car sped off, crossing over an embankment and driving over grass. The car eventually crashed into another car, taking out its front bumper. The driver and passenger were apprehended. A loaded illegal large capacity magazine was found in the armrest, a Glock was located behind the passenger seat, and a Modified Glock was found just outside the car.
- e) On October 7, 2024, near Cherry Hill Homes Public Housing, two teens—18 and 19-years-old—took out handguns, and assumed shooting stances before returning the guns to their front waistbands. The two teens soon noticed a police helicopter above them, got into a car, and sped off, driving dangerously and causing people

crossing the street to run out of the way. At some point, items were tossed out of the passenger window. Officers caught up to the teens, arrested them, and found a handgun and a Modified Glock with an illegal large capacity magazine in the area where items were tossed out of the car.

- f) On December 19, 2024, officers encountered a vehicle with improper tags. The car was reported stolen from Prince George’s County. When the officers tried to get behind the vehicle, it sped off; officers followed and used a helicopter to monitor the car. The male driver and female passenger bailed out of the car, abandoning it. Eventually the driver was detained. When officers reviewed video footage of the incident that had been recorded by the helicopter, they found evidence of an object being thrown out of the passenger-side window during the pursuit. Officers recovered a Modified Glock with an illegal large capacity magazine from the area where the object was thrown. The driver was a prohibited possessor in part because of prior assault in the second degree and armed robbery offenses.

98. Dual public safety crises come to a head in Baltimore and Maryland: Modified
Glocks have been recovered in connection with drug trafficking. And as several incidents below
highlight, both crises are adversely affecting minors and adolescents. For example:

- a) On September 4, 2023, police conducted a weapons pat down of a 16-year-old and recovered a Modified Glock with an illegal large capacity magazine and 21 pills suspected of containing heroin likely mixed with fentanyl.
- b) In April 2024, during a traffic stop in Montgomery Village, officers recovered a backpack that contained a Modified Glock with an illegal large capacity magazine, over 1,000 suspected fentanyl pills, packaging materials, a digital scale, and cash.
- c) On August 1, 2024, police initiated a traffic stop. The passenger in the car exited and appeared to be holding a black gun. As he ran, he fell and was later detained. Police conducted a canvass of the surrounding area and found numerous suspected heroin/fentanyl capsules near where the man fell. Later, on a jail call, the man spoke to an associate and gave him the cross-streets of an intersection. Police searched the area and recovered a Modified Glock with an illegal large capacity magazine in a bush at the location described.
- d) On September 21, 2024, a driver exited his parked car that had heavily tinted windows and was partially obstructing a sidewalk. Officers called in a K9 unit, which alerted that there were narcotics in the car. As one officer searched the car, he indicated that he found a firearm, at which point, the driver fled but was apprehended in a nearby alleyway. In the car, officers recovered two Modified Glocks each with loaded illegal large capacity magazines, two additional detachable magazines, a container of suspected cocaine, narcotics packaging materials, and over \$2,000 in cash. Additionally, officers recovered three plastic containers of suspected cocaine from the driver, who was prohibited from possessing firearms because of previous firearm-related offenses.

- e) In September 2024, four teens from St. Mary’s County, ranging in ages from 15 to 17, were arrested in connection with attempted carjackings. At the residence of the 17-year-old, officers found a Modified Glock with an illegal large capacity magazine, a handgun with an obliterated serial number, and over 1,000 suspected fentanyl pills.

99. Modified Glocks have been found in the possession of prohibited possessors. More than 70% of those arrested in incidents involving the recovery of a Modified Glock by BPD were prohibited from owning a firearm. And almost three-fourths of those known to be prohibited from owning a firearm and arrested were prohibited for a reason in addition to or aside from age. For example:

- a) On August 21, 2023, officers responded to a burglary at a residence in Medfield. The property manager explained that she was notified someone had removed the for-sale sign and that no one was supposed to occupy the unit. Officers arrested the two people found at the residence—one was a 19-year-old who had a Modified Glock with an illegal large capacity magazine on his person. Officers also recovered a bag that contained another Modified Glock with an illegal large capacity magazine, three boxes of hollow point ammunition, and a ski mask. Both those arrested were prohibited from possessing firearms.
- b) On December 20, 2023, a 34-year-old was stopped by officers as he exited the backseat of a car. He had a bag with 47 containers of suspected crack cocaine on him and a handgun was found in the backseat of the car near where he sat. The 34-year-old was prohibited from possessing a handgun due to a prior conviction for using a handgun in a first-degree assault. A Modified Glock with an illegal large capacity magazine was found in the car near the driver’s seat. The driver, who was prohibited from possessing a handgun due to a prior conviction for second-degree murder committed with a handgun, was also arrested.
- c) On January 10, 2024, officers observed a drug deal in South Baltimore. Officers pursued the apparent dealer and recovered from him a Modified Glock with an illegal large capacity magazine. Officers also recovered from the apparent dealer a key to a car, which was confirmed stolen out of Anne Arundel County. That car contained an additional Modified Glock with an illegal large capacity magazine. The dealer was prohibited from possessing a firearm as a term of his probation.
- d) On July 21, 2024, a couple was reported as having a dispute near Morgan State University. A witness said the girlfriend was screaming that the boyfriend had her phone and was armed with a gun. An officer arrived and recovered a Modified Glock with an illegal large capacity magazine from the boyfriend’s waistband. He was 18 years old, prohibited from possessing a firearm, and was wanted for an attempted murder that happened the month prior.

- e) On August 10, 2024, a man who was driving a car without a valid driver’s license was stopped by police. Officers searched the car and found three guns, including a Modified Glock. The driver and his two passengers were all prohibited possessors.
- f) On September 17, 2024, a 27-year-old appeared to be preparing himself for an imminent shootout; he glanced across the street, cleared his clothes out of his waistband with one hand, put his other hand in his waistband, squared his shoulders to the street, and moved into a position of cover. Officers stopped the man and recovered a Modified Glock with an illegal large capacity magazine containing 30 rounds of ammunition. The man was prohibited from possessing a firearm due to an active bench warrant and his juvenile delinquency history.

100. As the number of recovered Glocks equipped with auto sears in Baltimore has increased, so have the dangerous and devastating consequences associated with them. Increasing recoveries of Modified Glocks strongly suggest that those consequences will continue, despite Plaintiffs’ efforts to address the gun violence crisis and to reduce the proliferation of illegal guns, including Modified Glocks.

101. Not only are these consequences being felt acutely in Baltimore and Maryland, but they are also adversely affecting many other areas in the United States. The increased popularity of modified pistols has led federal, state, and local law enforcement from around the country to raise the alarm about the dramatic rise in the use of auto sears and automatic weapons, particularly Glocks. For example:

- a) **Nationwide:** The ATF reported a 400% increase in recoveries of illegally modified machine guns from 2020 to 2021⁸¹ and a 570% increase in machine gun conversion parts recovered between 2017 and 2021 as compared to the previous five-year

⁸¹ See Alain Stephens & Keegan Hamilton, *The Sacramento Mass Shooting Likely Involved a Converted Machine Gun, Officials Say*, THE TRACE (Apr. 7, 2022), <https://www.thetrace.org/2022/04/sacramento-mass-shooting-auto-sear-machine-gun/> [<https://perma.cc/PH4F-WYW2>].

period.⁸² Between 2018 and 2023, the ATF recovered more than 31,000 machine gun conversion devices.⁸³

- b) **Washington, D.C.:** In 2023, the ATF Special Agent in Charge for Washington, D.C. reported an approximate 45% increase in the use of switches in crimes in D.C.⁸⁴ In 2022, D.C. recovered 123 firearms equipped with switches; but by November 2023, D.C. had recovered at least 165 in that calendar year.⁸⁵
- c) **Twenty cities**⁸⁶ recovered more than 560 machine gun conversion devices in 2023, at least two-thirds of which were Glock switches.⁸⁷
- d) **Chicago:** The Chicago Police Department reported the recovery of over 1,300 Modified Glocks from the beginning of 2021 through May 2024, averaging more than one Modified Glock recovery per day.⁸⁸
- e) **Memphis:** In 2024, the Memphis police department estimated that it recovered three Glock switches a week.⁸⁹

- f) **Columbus:** Officials reported a 1,200% increase in auto sear recoveries as of April 2023, compared to the same time in the previous year.⁹⁰

102. Glock's ongoing conduct continues to harm public health and safety in Baltimore and elsewhere in Maryland, such as Prince George's County. The effects of Glock's continuing misconduct are felt by ordinary Marylanders as well as City and State law enforcement personnel.

103. Plaintiffs spend millions of dollars annually to prevent gun violence and gun-related crimes, to reduce their lethality, and to mitigate the long-term damage to communities in which they are endemic. In 2021, Mayor Brandon Scott released Baltimore's first-ever Comprehensive Violence Prevention Plan. Similarly, the State recently passed legislation, signed into law by Governor Wes Moore, that established the Center for Firearm Violence Prevention and Intervention in the Maryland Department of Health to reduce firearm violence, harm from firearm violence, and misuse of firearms in the State. In addition, Plaintiffs work with and support community-based violence reduction programs like Safe Streets and Roca, which seek to reduce gun violence and gun use. Such programs have meaningful impacts on individuals, families, and communities, and they become ever more crucial as the proliferation of Modified Glocks spreads.

104. By manufacturing, selling, and marketing pistols that are uniquely capable of being turned into fully automatic weapons with a simple modification, Glock has knowingly engaged in unreasonable conduct and harmed the safety and health of the public in Baltimore and Maryland.

⁹⁰ See NBC4 Columbus, *Switch Handguns on the Rise in Columbus*, YOUTUBE (Apr. 27, 2023), https://www.youtube.com/watch?v=S62EM_LDwdA.

FIRST CLAIM FOR RELIEF
Violation of Md. Code, Cts & Jud. Proc. § 3-2502
(Public Nuisance by Firearm Industry Member)

105. Plaintiffs repeat, reallege, and incorporate as if fully set forth herein the allegations of paragraphs 1 through 104 above.

106. As described below, Maryland law imposes liability on a “firearms industry member” when it knowingly engages in conduct that creates, maintains or contributes to harm to the public through the sale, manufacture, distribution, importation, or marketing of a firearm industry product.

107. A “firearm industry member” is “a person engaged in the sale, manufacture, distribution, importation, or marketing of a firearm-related product,” which includes companies. MD. CODE, CTS. & JUD. PROC. § 3-2501(c) (West 2024).

108. A “firearm-related product” includes firearms, ammunition, and firearms parts and accessories that are “[s]old, manufactured, distributed, or marketed” in Maryland or that are “[i]ntended to be sold, manufactured, distributed, or marketed” in Maryland. *Id.* § 3-2501(d).

109. Glock is a “firearm industry member” that manufactures, distributes, imports, markets, and sells “firearm-related products” within the meaning of the Act.

110. Under the Act, a “firearm industry member” can be held liable for “knowingly creat[ing], maintain[ing], or contribut[ing] to harm to the public through the sale, manufacture, distribution, importation, or marketing of a firearm-related product by engaging in conduct that is (1) unlawful; or (2) unreasonable under the totality of the circumstances.” *Id.* § 3-2502(a). Under the same law, a “firearms industry member” is also required to “establish and implement reasonable controls regarding the sale, manufacture, distribution, importation, marketing, possession, and use of [its] firearm-related products.” *Id.* § 3-2502(b). A violation constitutes a public nuisance. *Id.* § 3-2502(c).

111. “Reasonable controls” means policies that are designed (1) “to prevent the sale and distribution of a firearm-related product to” an individual who possesses and transfers the product unlawfully or who “the firearm industry member has reasonable cause to believe intends to use” it “to commit a crime” or “to cause harm” to a person; (2) “to prevent the loss or theft of a firearm-related product from a firearm industry member”; and (3) “to ensure that the firearm industry member complies with all provisions of State and federal law and does not otherwise promote the unlawful sale, manufacture, alteration, importation, marketing, possession, or use of a firearm-related product.” *Id.* § 3-2501(f).

112. At all times relevant to this lawsuit, Glock has manufactured pistols and then sold, distributed and marketed them in Maryland, and it continues to do so. In fact, according to its website, Glock has relationships with more than 55 dealers located in Maryland, including at least 20 within a 20-mile radius of Baltimore City.

113. Thousands of Maryland consumers have purchased and will continue to purchase Glock’s easily modifiable pistols. Maryland residents who live outside of Baltimore can and do purchase Glock pistols from gun dealers located within the State, either through the “Buy Now” feature on Glock’s website or by visiting a gun dealer—including dealers that have entered into arrangements with Glock to serve as Glock-authorized dealers. Baltimore residents can (and do) also use Glock’s website to facilitate their purchases; they do so by entering their addresses—or similarly “Baltimore”—on Glock’s website to be directed to a nearby federally licensed Glock-authorized gun store just outside of city limits where they can purchase their pistols. In addition, Glock pistols can be purchased directly by Baltimore residents via the “Buy Now” link on Glock’s website and then picked up at a brick-and-mortar location in the State. The “Buy Now” link directs to a third-party website, which allows customers to place the pistol in an online cart and complete

the purchase transaction, including payment. The pistol is then shipped to a federally licensed brick-and-mortar gun store for the customer to complete the required steps, including a background check, and pick up the pistol.

114. While it is illegal to sell machine guns to non-law-enforcement personnel, except under very limited circumstances, Glock sells, manufactures, distributes, imports, and markets to civilians semiautomatic pistols that easily accept auto sears, under all of the circumstances described in this Complaint, thereby promoting the proliferation of illegal machine guns in Baltimore and Maryland. Through these practices, Glock knowingly creates, maintains, and contributes to harm in Baltimore and Maryland that harms the safety and health of the public, including youth.

115. Glock knows that the pistols it sells to the civilian market easily accept—and are frequently and illegally possessed and/or modified with—auto sears. Yet, in violation of the Act, Glock continues to sell and market its easily converted pistols into Maryland to civilian, non-law-enforcement personnel, under all of the circumstances described in this Complaint. Glock does this despite knowing that there are reasonable steps it could take to make it more difficult for its pistols to accept auto sears and to be converted into illegal machine guns. Further, as described in this Complaint, Glock continues to promote the fully automatic capabilities of the G18 model to civilians through its social media, enhancing the appeal of automatic Glockes, and otherwise promotes fully automatic fire to civilian consumers through its social media. This conduct is unreasonable under the totality of the circumstances.

116. Furthermore, Glock has knowingly failed to establish and implement reasonable controls to ensure that it does not promote the unlawful possession, alteration, and use of its pistols. It does so by continuing to sell and market its easily modified semiautomatic pistols, promoting

the fully automatic capabilities of the G18, failing to fix the problem, and refraining from providing any warnings or disclosures pertaining to the prohibitions on civilian manufacturing or possessing machine guns. Instead, it has continued to manufacture, distribute, sell, and market its pistols to civilian consumers in Maryland as if the problem did not exist.

117. Glock's conduct therefore violates the Act and constitutes a public nuisance because it is unreasonable and/or demonstrates a lack of reasonable controls. *See* MD. CODE, CTS. & JUD. PROC. § 3-2502.

118. Glock has harmed the public, undermined law enforcement efforts to prevent and reduce gun violence and other gun-related crime, diverted scarce law enforcement resources, and reduced public health and safety.

119. The aforementioned conduct has proximately caused harm to the City and the State.

120. Pursuant to the Act, Plaintiffs seek an order enjoining Glock from engaging in practices that violate the Act and compelling Glock to abate the nuisance by, including but not limited to, ceasing the distribution, marketing, and sales of easily modifiable Glock pistols to civilians in Maryland, addressing easily modifiable Glock pistols already distributed and sold to civilians in Maryland, and contributing to a monetary abatement fund.

121. Plaintiffs also seek an order providing for the payment of restitution and disgorgement of profits, awarding Plaintiffs fees, costs, and any other relief the Court deems appropriate.

SECOND CLAIM FOR RELIEF
Public Nuisance

122. Plaintiffs repeat, reallege, and incorporate as if fully set forth herein the allegations of paragraphs 1 through 104 above.

123. Defendants, individually and in concert with each other, have created, contributed to, and/or assisted in creating conditions that significantly interfere with rights general to the public, including public health, public safety, public comfort, and public convenience.

124. Due to the historical and ongoing interference with those rights, Defendants' conduct is a public nuisance.

125. The nuisance created and contributed to by Defendants is substantial and unreasonable. It has caused, continues to cause, and will continue to cause significant harm to the community as alleged herein, and that harm outweighs any offsetting benefit.

126. Glock specifically created, contributed to, and/or assisted, and/or was a substantial contributing factor in the creation of the public nuisance by selling and marketing semiautomatic pistols to civilian consumers that can be easily modified to illegal machine guns, and by failing to take reasonable and effective steps to prevent such illegal modifications, under all of the circumstances described in this Complaint. Further, as described in this Complaint, Glock continues to promote the fully automatic capabilities of the G18 model to civilians through its social media, enhancing the appeal of fully automatic Glocks, and otherwise promotes fully automatic fire to civilian consumers through its social media. Glock's conduct foreseeably results in the illegal possession and use of machine guns by civilians in the City and State. Yet, Glock continues to sell its easily modified pistols into Maryland, knowing they are regularly being illegally converted, possessed and used there. Absent an injunction, abatement or other relief, this public nuisance will continue indefinitely.

127. Glock's conduct was, and continues to be, in knowing violation of the Act. MD. CODE, CTS. & JUD. PRO. § 3-2502(a)-(f). These knowing violations proximately harmed the City and the State.

128. Glock’s conduct unjustifiably endangers, renders insecure, interferes with, and obstructs the rights of the residents of Baltimore and Maryland. By selling and marketing semiautomatic pistols to civilian consumers that can be easily modified to machine guns, Glock has created and/or contributed to a terror on the streets of Baltimore and elsewhere in Maryland—a terror once reserved for battlefields. Glock also promotes the fully automatic capabilities of the G18 model to civilians through its social media, enhancing the appeal of fully automatic Glocks.

129. Glock’s conduct has created, maintained, and contributed to a public nuisance in Baltimore and Maryland by unreasonably interfering with the right of the general public to life, health, the use and enjoyment of property, the right to travel within the City and State, and the right to attend school, all without fear of being shot with or menaced by Modified Glocks. The unlawful proliferation of illegal machine guns interferes with rights common to the general public; deprives Baltimore, Maryland, and their residents and visitors of the peaceful use of public streets, sidewalks, parks, and other public places; interferes with commerce, travel, and the quality of daily life; and endangers the health, welfare, peace, safety, well-being, convenience, and property of considerable numbers of residents of, and visitors to, Baltimore and Maryland. These harms are felt in the City and the State.

130. Glock’s actions were, at the least, a substantial factor in illegal machine guns becoming readily available and widely possessed and used in Baltimore and Maryland. Absent Defendants’ actions, machine guns—which have been heavily regulated at the state and federal level for nearly a century—would not now be so easy for civilians to acquire through the illegal modification of easy-to-convert and readily available Glock semiautomatic pistols, and the endangering of the public from the proliferation of illegal machine guns that now exists would have been averted.

131. Plaintiffs seek an order enjoining Glock from creating or contributing to a nuisance, and compelling Glock to abate the nuisance by, including but not limited to, ceasing the distribution, marketing and sales of easily modifiable Glock pistols to civilians in Maryland and/or to civilian Maryland consumers, addressing easily modifiable Glock pistols already distributed and sold to civilians in Maryland and/or to civilian Maryland consumers, and contributing to a monetary abatement fund.

132. Plaintiffs also seek an order awarding them fees, costs, and any other relief that the Court deems appropriate.

REQUEST FOR RELIEF

Wherefore, Plaintiffs request that the Court grant judgment in their favor, as follows:

- i. Enjoining Glock from marketing and selling pistols that can easily be converted to fire fully automatically to non-law-enforcement consumers in Maryland;
- ii. Ordering Glock to implement reasonable controls, safeguards, and procedures to prevent its easily converted pistols from being possessed, altered, used, marketed, or sold unlawfully to non-law-enforcement consumers in Maryland;
- iii. Ordering Glock to abate the public nuisance that Glock has created, contributed to, and/or maintained, including but not limited to addressing the easily modifiable Glock pistols already distributed and sold to civilians in Maryland and/or to civilian Maryland consumers, and contributing to a monetary abatement fund;
- iv. Ordering restitution and disgorgement of profits;
- v. Awarding pre- and post-judgment interest, to the extent allowable;
- vi. Awarding Plaintiffs' costs of investigation and suit, including any reasonable attorneys' fees and costs;
- vii. Providing such further relief as the Court deems appropriate.

Dated: February 12, 2024

Assigned to: Judicial Proceedings

Committee Report: Favorable with amendments

Senate action: Adopted

Read second time: March 16, 2018

CHAPTER _____

1 AN ACT concerning

2 **Criminal Law – Firearm Crimes – Rapid Fire Trigger Activator**

3 FOR the purpose of prohibiting a person from transporting a certain rapid fire trigger
4 activator into the State or manufacturing, possessing, selling, offering to sell,
5 transferring, purchasing, or receiving a certain rapid fire trigger activator, subject
6 to a certain exception; applying certain penalties; establishing a certain penalty for
7 using a rapid fire trigger activator in the commission of a certain crime; defining
8 certain terms; providing for a delayed effective date for certain provisions of this Act;
9 and generally relating to firearm crimes.

10 BY repealing and reenacting, with amendments,
11 Article – Criminal Law
12 Section 4–301 and 4–306
13 Annotated Code of Maryland
14 (2012 Replacement Volume and 2017 Supplement)

15 BY adding to
16 Article – Criminal Law
17 Section 4–305.1
18 Annotated Code of Maryland
19 (2012 Replacement Volume and 2017 Supplement)

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

Underlining indicates amendments to bill.

~~Strike out~~ indicates matter stricken from the bill by amendment or deleted from the law by amendment.

1 BY repealing and reenacting, with amendments,
2 Article – Criminal Law
3 Section 4–305.1
4 Annotated Code of Maryland
5 (2012 Replacement Volume and 2017 Supplement)
6 (As enacted by Section 1 of this Act)

7 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
8 That the Laws of Maryland read as follows:

9 **Article – Criminal Law**

10 4–301.

11 (a) In this subtitle the following words have the meanings indicated.

12 (b) “Assault long gun” means any assault weapon listed under § 5–101(r)(2) of the
13 Public Safety Article.

14 (c) “Assault pistol” means any of the following firearms or a copy regardless of
15 the producer or manufacturer:

16 (1) AA Arms AP–9 semiautomatic pistol;

17 (2) Bushmaster semiautomatic pistol;

18 (3) Claridge HI–TEC semiautomatic pistol;

19 (4) D Max Industries semiautomatic pistol;

20 (5) Encom MK–IV, MP–9, or MP–45 semiautomatic pistol;

21 (6) Heckler and Koch semiautomatic SP–89 pistol;

22 (7) Holmes MP–83 semiautomatic pistol;

23 (8) Ingram MAC 10/11 semiautomatic pistol and variations including the
24 Partisan Avenger and the SWD Cobray;

25 (9) Intratec TEC–9/DC–9 semiautomatic pistol in any centerfire variation;

26 (10) P.A.W.S. type semiautomatic pistol;

27 (11) Skorpion semiautomatic pistol;

28 (12) Spectre double action semiautomatic pistol (Sile, F.I.E., Mitchell);

- 1 (13) UZI semiautomatic pistol;
- 2 (14) Weaver Arms semiautomatic Nighthawk pistol; or
- 3 (15) Wilkinson semiautomatic “Linda” pistol.

4 (d) “Assault weapon” means:

- 5 (1) an assault long gun;
- 6 (2) an assault pistol; or
- 7 (3) a copycat weapon.

8 **(E) “BINARY TRIGGER SYSTEM” MEANS A DEVICE THAT, WHEN INSTALLED**
 9 **IN OR ATTACHED TO A FIREARM, FIRES BOTH WHEN THE TRIGGER IS PULLED AND**
 10 **ON RELEASE OF THE TRIGGER.**

11 **(F) “BUMP STOCK” MEANS A DEVICE THAT, WHEN INSTALLED IN OR**
 12 **ATTACHED TO A FIREARM, INCREASES THE RATE OF FIRE OF THE FIREARM BY USING**
 13 **ENERGY FROM THE RECOIL OF THE FIREARM TO GENERATE A RECIPROCATING**
 14 **ACTION THAT FACILITATES REPEATED ACTIVATION OF THE TRIGGER.**

15 **(G) “BURST TRIGGER SYSTEM” MEANS A DEVICE THAT, WHEN INSTALLED IN**
 16 **OR ATTACHED TO A FIREARM, ALLOWS THE FIREARM TO DISCHARGE TWO OR MORE**
 17 **SHOTS WITH A SINGLE PULL OF THE TRIGGER BY ALTERING THE TRIGGER RESET.**

18 ~~(H)~~ **(H)** (1) “Copycat weapon” means:

19 (i) a semiautomatic centerfire rifle that can accept a detachable
 20 magazine and has any two of the following:

- 21 1. a folding stock;
- 22 2. a grenade launcher or flare launcher; or
- 23 3. a flash suppressor;

24 (ii) a semiautomatic centerfire rifle that has a fixed magazine with
 25 the capacity to accept more than 10 rounds;

26 (iii) a semiautomatic centerfire rifle that has an overall length of less
 27 than 29 inches;

28 (iv) a semiautomatic pistol with a fixed magazine that can accept
 29 more than 10 rounds;

1 (v) a semiautomatic shotgun that has a folding stock; or

2 (vi) a shotgun with a revolving cylinder.

3 (2) “Copycat weapon” does not include an assault long gun or an assault
4 pistol.

5 ~~(I)~~ **(I)** “Detachable magazine” means an ammunition feeding device that can be
6 removed readily from a firearm without requiring disassembly of the firearm action or
7 without the use of a tool, including a bullet or cartridge.

8 ~~(J)~~ **(J)** “Flash suppressor” means a device that functions, or is intended to function,
9 to perceptibly reduce or redirect muzzle flash from the shooter’s field of vision.

10 **(K) “HELLFIRE TRIGGER” MEANS A DEVICE THAT, WHEN INSTALLED IN OR**
11 **ATTACHED TO A FIREARM, DISENGAGES THE TRIGGER RETURN SPRING WHEN THE**
12 **TRIGGER IS PULLED.**

13 ~~(L)~~ **(L)** “Licensed firearms dealer” means a person who holds a dealer’s license
14 under Title 5, Subtitle 1 of the Public Safety Article.

15 ~~(I) “MACHINE GUN” HAS THE MEANING STATED IN § 4-401 OF THIS TITLE.~~

16 ~~(J) (M) (1) “RAPID FIRE TRIGGER ACTIVATOR” MEANS ANY DEVICE,~~
17 ~~PART, OR COMBINATION OF DEVICES OR PARTS THAT IS DESIGNED AND FUNCTIONS~~
18 ~~TO ACCELERATE THE RATE OF FIRE OF A FIREARM BEYOND THE STANDARD RATE OF~~
19 ~~FIRE FOR FIREARMS THAT ARE NOT EQUIPPED WITH THAT DEVICE, PART, OR~~
20 ~~COMBINATION OF DEVICES OR PARTS~~ **ANY DEVICE, INCLUDING A REMOVABLE**
21 **MANUAL OR POWER-DRIVEN ACTIVATING DEVICE, CONSTRUCTED SO THAT, WHEN**
22 **INSTALLED IN OR ATTACHED TO A FIREARM:**

23 **(I) THE RATE AT WHICH THE TRIGGER IS ACTIVATED**
24 **INCREASES; OR**

25 **(II) THE RATE OF FIRE INCREASES.**

26 **(2) “RAPID FIRE TRIGGER ACTIVATOR” INCLUDES A BUMP STOCK**
27 **AND TRIGGER CRANK, TRIGGER CRANK, HELLFIRE TRIGGER, BINARY TRIGGER**
28 **SYSTEM, BURST TRIGGER SYSTEM, OR A COPY OR A SIMILAR DEVICE, REGARDLESS**
29 **OF THE PRODUCER OR MANUFACTURER.**

30 **(3) “RAPID FIRE TRIGGER ACTIVATOR” DOES NOT INCLUDE A**
31 **SEMI-AUTOMATIC REPLACEMENT TRIGGER THAT IMPROVES THE PERFORMANCE**
32 **AND FUNCTIONALITY OVER THE STOCK TRIGGER.**

1 **(N) “TRIGGER CRANK” MEANS A DEVICE THAT, WHEN INSTALLED IN OR**
2 **ATTACHED TO A FIREARM, REPEATEDLY ACTIVATES THE TRIGGER OF THE FIREARM**
3 **THROUGH THE USE OF A CRANK, A LEVER, OR ANY OTHER PART THAT IS TURNED IN**
4 **A CIRCULAR MOTION.**

5 4-305.1.

6 ~~A~~ **(A) EXCEPT AS PROVIDED IN SUBSECTION (B) OF THIS SECTION, A PERSON**
7 **MAY NOT:**

8 **(1) TRANSPORT A RAPID FIRE TRIGGER ACTIVATOR INTO THE STATE;**
9 **OR**

10 **(2) MANUFACTURE, POSSESS, SELL, OFFER TO SELL, TRANSFER,**
11 **PURCHASE, OR RECEIVE A RAPID FIRE TRIGGER ACTIVATOR.**

12 **(B) THIS SECTION DOES NOT APPLY TO THE POSSESSION OF A RAPID FIRE**
13 **TRIGGER ACTIVATOR BY A PERSON WHO:**

14 **(1) POSSESSED THE RAPID FIRE TRIGGER ACTIVATOR BEFORE**
15 **OCTOBER 1, 2018;**

16 **(2) APPLIED TO THE FEDERAL BUREAU OF ALCOHOL, TOBACCO,**
17 **FIREARMS AND EXPLOSIVES BEFORE OCTOBER 1, 2018, FOR AUTHORIZATION TO**
18 **POSSESS A RAPID FIRE TRIGGER ACTIVATOR; AND**

19 **(3) IS IN COMPLIANCE WITH ALL FEDERAL REQUIREMENTS FOR**
20 **POSSESSION OF A RAPID FIRE TRIGGER ACTIVATOR.**

21 4-306.

22 (a) Except as otherwise provided in this subtitle, a person who violates this
23 subtitle is guilty of a misdemeanor and on conviction is subject to imprisonment not
24 exceeding 3 years or a fine not exceeding \$5,000 or both.

25 (b) (1) A person who uses an assault weapon, A **RAPID FIRE TRIGGER**
26 **ACTIVATOR**, or a magazine that has a capacity of more than 10 rounds of ammunition, in
27 the commission of a felony or a crime of violence as defined in § 5-101 of the Public Safety
28 Article is guilty of a misdemeanor and on conviction, in addition to any other sentence
29 imposed for the felony or crime of violence, shall be sentenced under this subsection.

30 (2) (i) For a first violation, the person shall be sentenced to
31 imprisonment for not less than 5 years and not exceeding 20 years.

1 (ii) The court may not impose less than the minimum sentence of
2 5 years.

3 (iii) The mandatory minimum sentence of 5 years may not be
4 suspended.

5 (iv) Except as otherwise provided in § 4–305 of the Correctional
6 Services Article, the person is not eligible for parole in less than 5 years.

7 (3) (i) For each subsequent violation, the person shall be sentenced to
8 imprisonment for not less than 10 years and not exceeding 20 years.

9 (ii) The court may not impose less than the minimum sentence of 10
10 years.

11 (iii) A sentence imposed under this paragraph shall be consecutive to
12 and not concurrent with any other sentence imposed for the felony or crime of violence.

13 SECTION 2. AND BE IT FURTHER ENACTED, That the Laws of Maryland read
14 as follows:

15 Article – Criminal Law

16 4–305.1.

17 (a) Except as provided in subsection (b) of this section, a person may not:

18 (1) transport a rapid fire trigger activator into the State; or

19 (2) manufacture, possess, sell, offer to sell, transfer, purchase, or receive a
20 rapid fire trigger activator.

21 (b) This section does not apply to the possession of a rapid fire trigger activator
22 by a person who:

23 (1) possessed the rapid fire trigger activator before October 1, 2018;

24 (2) applied to the federal Bureau of Alcohol, Tobacco, Firearms and
25 Explosives before October 1, 2018, for authorization to possess a rapid fire trigger activator;
26 [and]

27 (3) RECEIVED AUTHORIZATION TO POSSESS A RAPID FIRE TRIGGER
28 ACTIVATOR FROM THE FEDERAL BUREAU OF ALCOHOL, TOBACCO, FIREARMS AND
29 EXPLOSIVES BEFORE OCTOBER 1, 2019; AND

30 (4) is in compliance with all federal requirements for possession of a rapid
31 fire trigger activator.

1 SECTION 3. AND BE IT FURTHER ENACTED, That Section 2 of this Act shall take
2 effect October 1, 2019.

3 SECTION ~~2~~ 4. AND BE IT FURTHER ENACTED, That, except as provided in
4 Section 3 of this Act, this Act shall take effect October 1, 2018.

CHAPTER _____

1 AN ACT concerning

2 **Criminal Law – ~~Weapon Crimes~~ Rapid-Fire Activator – Switch/Auto-Sear**

3 FOR the purpose of ~~authorizing a law enforcement unit to seize as contraband and dispose~~
4 ~~of a certain switch/auto sear in a certain manner; prohibiting a person from~~
5 ~~transporting a switch/auto sear into the State or manufacturing, possessing, selling,~~
6 ~~offering to sell, transferring, purchasing, or receiving a switch/auto sear; applying~~
7 ~~certain penalties to a person who uses a switch/auto sear in the commission of a~~
8 ~~felony or a certain crime of violence~~ altering the term “rapid fire trigger activator” to
9 be “rapid fire activator”; adding “switch/auto-sear” to the definition of “rapid fire
10 activator” for the purposes of certain prohibitions on rapid fire activators; and
11 generally relating to weapon crimes.

12 BY repealing and reenacting, with amendments,

13 Article – Criminal Law

14 Section 4-301, ~~4-304~~ 4-305.1, and 4-306

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

Underlining indicates amendments to bill.

~~Strike out~~ indicates matter stricken from the bill by amendment or deleted from the law by amendment.

Italics indicate opposite chamber/conference committee amendments.

2A Maryland Testimony - HB 1287 - 2024 Session - HB0810
HB 1287 - Attachment - 2A Maryland

1 Annotated Code of Maryland
2 (2021 Replacement Volume and 2023 Supplement)

3 ~~BY adding to~~
4 ~~Article – Criminal Law~~
5 ~~Section 4–305.2~~
6 ~~Annotated Code of Maryland~~
7 ~~(2021 Replacement Volume and 2023 Supplement)~~

8 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
9 That the Laws of Maryland read as follows:

10 **Article – Criminal Law**

11 4–301.

12 (a) In this subtitle the following words have the meanings indicated.

13 (b) “Assault long gun” means any assault weapon listed under § 5–101(r)(2) of the
14 Public Safety Article.

15 (c) “Assault pistol” means any of the following firearms or a copy regardless of
16 the producer or manufacturer:

17 (1) AA Arms AP–9 semiautomatic pistol;

18 (2) Bushmaster semiautomatic pistol;

19 (3) Claridge HI–TEC semiautomatic pistol;

20 (4) D Max Industries semiautomatic pistol;

21 (5) Encom MK–IV, MP–9, or MP–45 semiautomatic pistol;

22 (6) Heckler and Koch semiautomatic SP–89 pistol;

23 (7) Holmes MP–83 semiautomatic pistol;

24 (8) Ingram MAC 10/11 semiautomatic pistol and variations including the
25 Partisan Avenger and the SWD Cobray;

26 (9) Intratec TEC–9/DC–9 semiautomatic pistol in any centerfire variation;

27 (10) P.A.W.S. type semiautomatic pistol;

28 (11) Skorpion semiautomatic pistol;

1 (12) Spectre double action semiautomatic pistol (Sile, F.I.E., Mitchell);

2 (13) UZI semiautomatic pistol;

3 (14) Weaver Arms semiautomatic Nighthawk pistol; or

4 (15) Wilkinson semiautomatic “Linda” pistol.

5 (d) “Assault weapon” means:

6 (1) an assault long gun;

7 (2) an assault pistol; or

8 (3) a copycat weapon.

9 (e) “Binary trigger system” means a device that, when installed in or attached to
10 a firearm, fires both when the trigger is pulled and on release of the trigger.

11 (f) “Bump stock” means a device that, when installed in or attached to a firearm,
12 increases the rate of fire of the firearm by using energy from the recoil of the firearm to
13 generate a reciprocating action that facilitates repeated activation of the trigger.

14 (g) “Burst trigger system” means a device that, when installed in or attached to a
15 firearm, allows the firearm to discharge two or more shots with a single pull of the trigger
16 by altering the trigger reset.

17 (h) (1) “Copycat weapon” means:

18 (i) a semiautomatic centerfire rifle that can accept a detachable
19 magazine and has any two of the following:

20 1. a folding stock;

21 2. a grenade launcher or flare launcher; or

22 3. a flash suppressor;

23 (ii) a semiautomatic centerfire rifle that has a fixed magazine with
24 the capacity to accept more than 10 rounds;

25 (iii) a semiautomatic centerfire rifle that has an overall length of less
26 than 29 inches;

27 (iv) a semiautomatic pistol with a fixed magazine that can accept
28 more than 10 rounds;

1 (v) a semiautomatic shotgun that has a folding stock; or

2 (vi) a shotgun with a revolving cylinder.

3 (2) “Copycat weapon” does not include an assault long gun or an assault
4 pistol.

5 (i) “Detachable magazine” means an ammunition feeding device that can be
6 removed readily from a firearm without requiring disassembly of the firearm action or
7 without the use of a tool, including a bullet or cartridge.

8 (j) “Flash suppressor” means a device that functions, or is intended to function,
9 to perceptibly reduce or redirect muzzle flash from the shooter’s field of vision.

10 (k) “Hellfire trigger” means a device that, when installed in or attached to a
11 firearm, disengages the trigger return spring when the trigger is pulled.

12 (l) “Licensed firearms dealer” means a person who holds a dealer’s license under
13 Title 5, Subtitle 1 of the Public Safety Article.

14 (m) (1) “Rapid fire ~~trigger~~ activator” means any device, including a removable
15 manual or power-driven activating device, constructed so that, when installed in or
16 attached to a firearm:

17 (i) the rate at which the trigger is activated increases; or

18 (ii) the rate of fire increases.

19 (2) “Rapid fire ~~trigger~~ activator” includes a bump stock, trigger crank,
20 hellfire trigger, binary trigger system, burst trigger system, SWITCH/AUTO-SEAR, or a
21 copy or a similar device, regardless of the producer or manufacturer.

22 (3) “Rapid fire ~~trigger~~ activator” does not include a semiautomatic
23 replacement trigger that improves the performance and functionality over the stock trigger.

24 (N) “SWITCH/AUTO-SEAR” MEANS A DEVICE THAT IS DESIGNED AND
25 INTENDED FOR USE IN CONVERTING A FIREARM INTO A WEAPON THAT SHOOTS, IS
26 DESIGNED TO SHOOT, OR CAN BE READILY RESTORED TO SHOOT AUTOMATICALLY
27 MORE THAN ONE SHOT, WITHOUT MANUAL RELOADING, BY A SINGLE FUNCTION OF
28 THE TRIGGER APPLIES FORCE TO A FIREARM’S TRIGGER BAR TO PREVENT IT FROM
29 LIMITING THE WEAPON TO FIRING ONLY ONE ROUND EACH TIME THE TRIGGER IS
30 DEPRESSED.

31 [(n)] (O) “Trigger crank” means a device that, when installed in or attached to a
32 firearm, repeatedly activates the trigger of the firearm through the use of a crank, a lever,
33 or any other part that is turned in a circular motion.

1 ~~4-304.~~

2 ~~A law enforcement unit may seize as contraband and dispose of according to~~
3 ~~regulation an assault weapon OR A SWITCH/AUTO SEAR transported, sold, transferred,~~
4 ~~purchased, received, or possessed in violation of this subtitle.~~

5 ~~4-305.2.~~

6 ~~A PERSON MAY NOT:~~

7 ~~(1) TRANSPORT A SWITCH/AUTO SEAR INTO THE STATE; OR~~

8 ~~(2) MANUFACTURE, POSSESS, SELL, OFFER TO SELL, TRANSFER,~~
9 ~~PURCHASE, OR RECEIVE A SWITCH/AUTO SEAR.~~

10 4-305.1.

11 (a) Except as provided in subsection (b) of this section, a person may not:

12 (1) transport a rapid fire [trigger] activator into the State; or

13 (2) manufacture, possess, sell, offer to sell, transfer, purchase, or receive a
14 rapid fire [trigger] activator.

15 (b) This section does not apply to the possession of a rapid fire [trigger] activator
16 by a person who:

17 (1) possessed the rapid fire [trigger] activator before October 1, 2018;

18 (2) applied to the federal Bureau of Alcohol, Tobacco, Firearms and
19 Explosives before October 1, 2018, for authorization to possess a rapid fire [trigger]
20 activator;

21 (3) received authorization to possess a rapid fire [trigger] activator from
22 the federal Bureau of Alcohol, Tobacco, Firearms and Explosives before October 1, 2019;
23 and

24 (4) is in compliance with all federal requirements for possession of a rapid
25 fire [trigger] activator.

26 (c) NOTHING IN THIS SECTION IS INTENDED TO PROHIBIT THE OTHERWISE
27 LAWFUL POSSESSION OF A PART OR COMBINATION OF PARTS BY:

1 **(1) A POLICE OFFICER OR OTHER PERSON EMPLOYED BY A LAW**
 2 **ENFORCEMENT AGENCY UNDER CIRCUMSTANCES IN WHICH THE OFFICER OR OTHER**
 3 **PERSON POSSESSES THE PART OR PARTS IN ACCORDANCE WITH AUTHORIZATION**
 4 **GIVEN BY THE LAW ENFORCEMENT AGENCY; OR**

5 **(2) A PERSON WHO HAS REGISTERED A MACHINE GUN WITH THE**
 6 **SECRETARY OF STATE POLICE UNDER § 4-403 OF THIS TITLE IF THE PART OR PARTS**
 7 **ARE POSSESSED FOR USE IN ONLY, AND NECESSARY FOR THE PROPER FUNCTION OF,**
 8 **A MACHINE GUN THAT IS CURRENTLY REGISTERED BY THE PERSON UNDER § 4-403**
 9 **OF THIS TITLE.**

10 4-306.

11 (a) Except as otherwise provided in this subtitle, a person who violates this
 12 subtitle is guilty of a misdemeanor and on conviction is subject to imprisonment not
 13 exceeding 3 years or a fine not exceeding \$5,000 or both.

14 (b) (1) A person who uses an assault weapon, a rapid fire ~~trigger~~ activator, ~~A~~
 15 ~~SWITCH/AUTO SEAR,~~ or a magazine that has a capacity of more than 10 rounds of
 16 ammunition, in the commission of a felony or a crime of violence as defined in § 5-101 of
 17 the Public Safety Article is guilty of a misdemeanor and on conviction, in addition to any
 18 other sentence imposed for the felony or crime of violence, shall be sentenced under this
 19 subsection.

20 (2) (i) For a first violation, the person shall be sentenced to
 21 imprisonment for not less than 5 years and not exceeding 20 years.

22 (ii) The court may not impose less than the minimum sentence of 5
 23 years.

24 (iii) The mandatory minimum sentence of 5 years may not be
 25 suspended.

26 (iv) Except as otherwise provided in § 4-305 of the Correctional
 27 Services Article, the person is not eligible for parole in less than 5 years.

28 (3) (i) For each subsequent violation, the person shall be sentenced to
 29 imprisonment for not less than 10 years and not exceeding 20 years.

30 (ii) The court may not impose less than the minimum sentence of 10
 31 years.

32 (iii) A sentence imposed under this paragraph shall be consecutive to
 33 and not concurrent with any other sentence imposed for the felony or crime of violence.

1 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect
2 October 1, 2024.

Approved:
