

HB0055-Unfavorable - “Criminal Procedure-Expungement of Records – Good Cause”

A criminal record is not a driving record.

Criminal records have nothing to do with “Racial Equity”

Are we saying that “since certain race(s) are not doing so good, let’s make them at least look better?”

This bill tends to blur the social standards of “what is right and what is wrong”.

If this bill gets approved, it will unleash more desire for human beings to commit crimes.
