Senate Bill 0443
Trafficking Regulated Firearms - Felony Classification
FAVORABLE

Since 1988, the Maryland General Assembly has enacted at least thirty-four-gun related laws, which have demonstrated little to no impact on criminal behavior. However, they do make it more expensive and burdensome for Maryland's law-abiding citizens to exercise their Constitutional Rights.

Under current law, criminals who flaunt both State and Federal laws by illegal trafficking firearms to supply criminals in Maryland risk only a misdemeanor offense in the event they are arrested, charged and convicted. Even upon conviction, no minimum sentence provision applies. This seems incongruous given the use of a handgun in the commission of a crime (a misdemeanor offense) carries a 5-year minimum sentence. A current television PSA contends the "system is rigged" and in a sense it is. Current legislation on firearms trafficking favors the criminal simply because the law is too lenient.

We recommend amendments to include the following:

- A 5-year minimum sentence without parole for those persons convicted of trafficking firearms in Maryland.
- Each firearm shall be a separate offense.

While Senate Bill 0443 is not as strong as it could and should be, it is a step in the right direction.

We urge a favorable report on Senate Bill 0443.

Respectfully,

John H. Josselyn
