I am State Director of Women for Gun Rights and the State Leader of the Armed Women of America. I stand in solidarity with the Ladies of both groups, numbering many more than just myself. I am also a professional Multi-disciplined Firearms Instructor and Maryland QHIC.

I endorse the adoption of Constitutional Carry for Maryland, a regulation currently implemented in 29 other states across the United States. This regulation is comparable to the uniform recognition extended to state-issued driver's licenses and marriage certificates nationwide. Therefore, it is reasonable to advocate for the same recognition of the right to carry a firearm in Maryland.

I ask for a favorable Report
