

Maryland Judicial Proceeding Committee:

I Crystal Duckett am writing this letter hoping that you all would take the maximum penalty into consideration with imprisonment of manslaughter to 20 years.

On July 9 2022, there was an accident where I resided at on willows road. My son has to be at work at 6am as he is approaching the stop sign in the neighborhood he noticed the accident. He then texted me "Mom there's an accident you might be late because they blocked the road." I replied "okay let me call the job." The morning is going along I'm getting ready for work as I'm headed out the roads where clear enough for me to proceed. As I get to get work I have two missed calls from my brother John Duckett Jamari's Dad. I called back Shelly answers the phone and said Crystal it's Jamari he's been in a car accident I dropped everything. I'm headed to the hospital. I get there Family, Friends coworkers are in the waiting room Devastated. I look at my brother he's completely lost. Everyone got to see Jamari talking to him telling him how much he's loved.
