**TESTIMONY ON HBI431 - POSITION: FAVORABLE**  
**State and Local Agencies - Enforcement of Federal Immigration Law -**  
**Restrictions on Access to Information (Maryland Data Privacy Act)**

**TO:** Dear Honorable Chair Clippinger, Vice Chair Bartlett, and Members of the Committee

**FROM:** Jeffrey S. Rubin

**My name is Jeffrey S. Rubin. I am a resident of District 15. I am submitting this testimony in strong support of HBI431 - State and Local Agencies - Enforcement of Federal Immigration Law - Restrictions on Access to Information (Maryland Data Privacy Act).**

Like many Marylanders, I live in an area that is home to many immigrants. They make valuable contributions to our community. Unfortunately, in recent years, the erosion of data privacy protections has led to increased fear and uncertainty within immigrant communities. The Maryland Data Privacy Act HBI431 takes critical steps to restore trust by ensuring that state and local agencies, as well as law enforcement entities, are prohibited from sharing personal information, facial recognition data, and access to public facilities with federal immigration authorities unless a valid warrant is presented.

I stand with immigrant communities and support the Maryland Data Privacy Act because it will:

1. **Limit Access to Databases and Facilities:** Law enforcement agencies and state or local government units must deny access to sensitive data and facilities to individuals seeking to enforce federal immigration law without a valid court-issued warrant.
2. **Protect Personal Information:** The Act prohibits the disclosure of personal data, photographs, and biometric information, such as facial recognition scans, to federal immigration authorities unless due legal processes are followed.
3. **Provide Accountability and Transparency:** Agencies must maintain records of all access requests and submit annual reports to the Attorney General and the General Assembly to ensure compliance and transparency.
4. **Ensure Enforcement and Penalties:** The Attorney General is empowered to enforce these protections, with civil penalties for violations and disciplinary actions for state employees who fail to comply.

This legislation is crucial not only for protecting the privacy of all Maryland residents but also for fostering trust between immigrant communities and public institutions. By clearly delineating the boundaries of federal immigration enforcement within our state, we promote the values of dignity, safety, and fairness. As you did in 2021, I call on this legislature to protect immigrants and safeguard their sensitive data.

**I urge the committee to provide a favorable report on HBI431.**
