

current solutions Let us work towards a framework that prioritizes lives and foster accountability at every level.

Someone commented on FB posted by a person on the opposition stated:

"I can assure you that no addict using now takes a drug without knowing that they could overdoes potentially"

I can assure you Dealers do know there is a significant risk that illegal drugs have been intentionally contaminated with fentanyl and KNOW that the illegal drug they are selling will kill someone, Someone is my son someone is his Girlfriend Stephanie a mother of two. Someone was the 10 and 14 year old siblings found dead by their 12 year sibling in Perryville Maryland last Mar, 2024. And the deaths will continue until the dealers face real consequences for the deaths or bodily harm.

I give testimony here today to speak for the passing of

HB1398 Victoria, Scottie, Ashleigh and Yaders Law.

These are murders and we need laws passed to hold those who distributed this poison that murdered my child, the children of the other families present and not present here today!

Thank you for your time and attention today.
