

Dear **Members of the Ways and Means Committee,**

This testimony is being submitted by Showing Up for Racial Justice Baltimore. We are also working in collaboration with Out for Justice. I am a resident of **District 45**. **I am testifying in support of HB1110 - Automatic Restoration of Voter Registration.**

Maryland should be assisting eligible voters to engage in the democratic process that made our state strong. This bill would make the process of adding returning citizens back to the voter rolls as automatic as the process of taking incarcerated citizens off the rolls. This is more equitable than the current system, under which returning citizens must take care of re-registration themselves.

Please vote **in support of HB1110 - Automatic Restoration of Voter Registration.**

Thank you for your time, service, and consideration.

Sincerely,

Brytani Fraser
