

Ways and Means Committee
House Bill 1395
UNFAVORABLE

Honorable Chair, Vice Chair, and Members of the Ways and Means Committee;

Please give House Bill 1395, regarding school chaplains, an Unfavorable report.

As amused as I would be to recruit clergy for The Satanic Temple to be school chaplains, I hope you will give House Bill 1395 an Unfavorable report. There should be a separation of church and state. There are better, actually constitutional ways to provide support for students. And, from a parental rights perspective (something I thought Republicans were always advocating for), if parents want for their children to get support from a chaplain, they can do so on their own time.

Please vote against House Bill 1395. Thank you for your consideration.

Sincerely,
